II. Land Acknowledgement: (2 min)

As we gather today, we acknowledge that Eureka, California is ancestral territory of the Wiyot people. We honor all Indigenous people, territories, and Sovereign governments that share governance within Humboldt County, California. We gather with respect and gratitude to these Indigenous People. We thank and honor the Indigenous Caretakers of this land who continue to cherish and protect it. Their elders have instructed the young to consider the seven generations ahead as they continue to protect the rights of the land and all people who live on it. We encourage all to align with and follow the lead of local Indigenous communities as they steward the land and protect all of its natural resources.
