

**DEMO Permit with Electrical ONLY**

Owner: \_\_\_\_\_

APN: \_\_\_\_\_

**In this case a Demolition Permit along with a Permit for a Temporary Electrical Service will be issued if all of the following conditions are met:**

- 1) Electrical Service is required to run drying equipment.
- 2) All necessary approvals have been granted and returned to the Building Division.
- 3) No work other than permitted is to take place on the building and/or structure until the remaining permit is obtained.
- 4) An additional fee of \$85.00 will be charged for a compliance inspection to verify conformance with item #3 above before the remaining permit is issued.

Note: The compliance inspection must be requested three days prior to the issuance of the remaining permit. If any work is started on the building and/or structure before the remaining permit is issued, the permit fee will be doubled.

This permit is issued to the undersigned owner or owner's representative with the understanding that the owner acknowledges this permit neither implies nor guarantees issuance of additional permit(s). Owner further understands that construction plans have neither been checked nor approved at this time. No building construction is allowed by issuance of this permit and owner further understands that additional construction not authorized by this permit shall constitute a violation in accordance with Section 106.1 of the California Building Code and Section 311-10.1 of the Humboldt County Code.
