

**COMPLETION OF GRADING WORK CERTIFICATION**  
**LETTER FOR CIVIL ENGINEERS**

COUNTY OF HUMBOLDT  
BUILDING & PLANNING DEPARTMENT

---

**Instructions**

Attach supporting documentation.

**Letter**

Date:

County of Humboldt  
Building Department  
3015 H. Street Eureka,  
CA 95501

Attention: \_\_\_\_\_, County Building Inspector

Subject: Civil Engineer's Certification of Final Grading

Reference Project: Grading Permit No.: \_\_\_\_\_

Address: \_\_\_\_\_

APN: \_\_\_\_\_

I hereby approve the final grading for the referenced project in accordance with my responsibilities under the Humboldt County Grading Ordinance. The Engineer of Record has made on-site inspections for compliance with the approved grading plans. The provided letter is certifying that the grading work has been completed in compliance with the approved grading, erosion and sediment control plans, as well as, comply with all recommendations of the approved soils report which includes: Completion of all engineered drainage devices and retaining walls, location and inclination of all manufactured slopes, location of all structures, compaction of sub-grade, road structures, construction of earthen berms and positive drainage away from all building structures.
