Temporary Structures In The Flood Zone Hoop Houses Only

The Planning and Building Department has amended the Flood Damage Prevention Regulations Section 335-5 of the Humboldt County Code to allow placement of temporary structures in mapped flood hazard areas for up to 180 days from **April 16 through October 15.**

Temporary structures (hoop houses) not removed by October 16 will be in violation of Humboldt County Code Section 352-3(h), Category 4, Violations: Violations that are committed intentionally or through inexcusable neglect and have a significant and/or substantial impact on health, safety, comfort and/or general welfare of the public. Category 4 Violations shall include, but are not limited to, commercial cultivation of marijuana in violation of any applicable local or state laws, regulations, polices, procedures, permits and agreements. There will be an inspection fee at the current rate to verify the structures are not in violation of these regulations.

Category 4 Violations shall be subject to an administrative civil penalty of six thousand dollars (\$ 6,000.00) to ten thousand dollars (\$ 10,000.00), or as allowed by applicable state law, whichever is higher, per calender day.
