NARRATIVE - FERNDAL E OIS SUPP

1 On 12/17/17 at about 0021 hours I was on duty for the Humboldt County Sheriff's Department. I was assigned to  
2 the McKinleyville Area but was dropping a subject off in Eureka when I heard Deputy Freixas broadcast that shots  
3 had been fired. I was aware that she was with Sgt. Musson at a welfare check on Coppini Lane in Ferndale. I  
4 immediately responded to Coppini Lane code-3 from 4<sup>th</sup> and R Streets in Eureka. Moments later I heard Sgt.  
5 Musson broadcast that Deputy Freixas was hit and medical assistance was requested. He requested that all  
6 available units respond.

7  
8 As I arrived on scene I noted that Deputy Freixas was no longer there. Sgt. Musson advised that a Ferndale PD  
9 officer had transported Deputy Freixas to Coppini Lane and Grizzly Bluff Rd. where medical personnel had staged.  
10 I also noted that officers from other agencies were on scene and had established a rudimentary perimeter (there  
11 were only a couple of other agencies on scene when I arrived and I am unsure which units they were due to the  
12 darkness and fact they were deployed to the north of my location, which was the East end of Coppini Rd.). I took  
13 a position behind my patrol vehicle at the end of Coppini Lane. My vehicle was behind another patrol vehicle  
14 which was behind the first patrol vehicle to arrive. I am uncertain which patrol vehicle belonged to Deputy  
15 Freixas and which belong to Sgt. Musson.

16  
17 When I arrived on scene Sgt. Musson was establishing a perimeter. We discussed the reality that the scene was  
18 best handled as a SWAT mission given the current scene stability (all deputies accounted for and attended to),  
19 presence of firearms, unknown location of the suspect, and complex area to be cleared. We held, and added to,  
20 the perimeter as additional units arrived and, eventually, SWAT was activated and located the suspect.

21  
22 I later transported a male subject to CID for interview. I am not certain but it is my understanding that the subject  
23 I transported was the Hispanic male who the suspect initially shot at.

**SUPPLEMENT 1 - SUPPLEMENTAL- SWAT OPERATION**

1 On Sunday December 17th 2017 at about 0300 hours, I responded to [REDACTED] Coppini Lane in Ferndale after a SWAT call out for an  
2 officer involved shooting that had just occurred.  
3  
4 I arrived on scene and was assigned to the arrest/react team (Team #1). After briefing was completed, we moved down the driveway  
5 and replaced patrol units who were providing cover on the barn type structure where the OIS had taken place. Deputy Spellman  
6 Stallworth was assigned to operate the robot, and maneuvered it into the structure. After the robot entered the structure, it was  
7 determined a male subject was lying on a bed to the left of the front door, and appeared to have a leg injury.  
8  
9 The male subject was given surrender commands in both English and Spanish. The subject showed indications he understood our  
10 commands, however, he was not complying with the commands.  
11  
12 Sgt. Justin Braud advised the team we were going to approach the front door to the structure and I was assigned to be second in the  
13 stack with Deputy Ben Fillipini in front of me with the ballistic shield. Sgt. Braud advised us he was going to deploy a diversionary  
14 device through the door, and we were to make entry after deployment, and Deputy Fillipini and I were to proceed directly to the  
15 suspect.  
16  
17 After deployment, we entered into the structure and I followed directly behind Deputy Fillipini to the suspect. As we entered, Deputy  
18 Fillipini climbed onto the bed and pinned the subject to the bed with the shield and I provided lethal cover by pointing my rifle at the  
19 suspect's head. The suspect was pinned to the bed by Deputy Fillipini, and he had his hands pinned between the bed and his head. I  
20 took hold of the suspect's right hand and placed into a twist lock and attempted to move it behind the suspect's back. As I was  
21 attempting to place his right hand behind his back, he attempted to pull his hand out of my grasp. I delivered a strike to his arm with  
22 my elbow, causing his arm to bend at the elbow. Deputy Fillipini was able to place the suspect's left hand behind his back, and I  
23 secured him in handcuffs.  
24  
25 Deputy Fillipini then searched the subject for any additional weapons, and then we pulled the suspect off of the bed and placed him  
26 on his back on the floor. I observed the suspect had a large amount of blood on his left pant leg. I also observed what appeared to be  
27 an entry wound and exit wound on the right side of the suspect's chest. Deputy Fillipini recovered gauze from his medical pack and we  
28 placed pressure with the gauze on the bullet wounds. I then cut the suspects left pant leg and observed what appeared to be a bullet  
29 wound on the subject's left leg. It appeared the bleeding had subsided, so I did not place a tourniquet on the leg to control bleeding.  
30  
31 A short time later, medical personnel arrived inside the structure. I relayed my observations, and he was then transported to St.  
32 Joseph Hospital for treatment.  
33  
34 I then assisted the remainder of the SWAT Team in clearing the rest of the property in an attempt to locate any additional subjects on  
35 the property. Sgt. Kerry Ireland advised over the radio they had located an additional subject and had detained them in handcuffs. We  
36 then walked the subject back to the command post and released him to deputies on scene.  
37  
38 Report completed as supplemental information. See additional report for additional information.

SUPPLEMENT 3 - SUPPLEMENTAL REPORT - PUBLIC SAFETY STAT

1 On 12-17-17, I was assigned as the HCSO Duty Officer. At about 0100 hours, I was contacted at my residence by the HCSO  
2 Emergency Communications Center, who informed me there had just been an officer involved shooting (OIS) at [REDACTED] Coppini Lane,  
3 Ferndale that involved two Deputy Sheriffs. One deputy had been injured by gunfire and they believed the suspect was also injured.  
4

5 I immediately prepared to respond to the scene and assist with incident command. I arrived on scene at about 0140 hours and  
6 assumed the role of incident commander from Sgt. Greg Musson. A command post had already been established and a perimeter  
7 had been put in place to contain the incident. Shortly after I arrived I was able to establish Sgt. Musson was one of the involved  
8 deputies who had discharged his sidearm at the suspect, who was identified as [REDACTED]  
9

10 Following HCSO policy and procedure I met with Sgt. Musson, on scene, and informed him that I needed to take a public safety  
11 statement from him. Sgt. Musson told me the following:  
12

13 He and Deputy Freixas had responded to the residence in regards to a call for service involving a disturbance. Shortly after their  
14 arrival a female was contacted at the front door. During their conversation with the female she told them [REDACTED] was armed with a  
15 firearm. Sgt. Musson could see [REDACTED] inside the residence. Moments later a confrontation took place involving Sgt. Musson,  
16 Deputy Freixas and [REDACTED]. During this violent confrontation gunshots were exchanged. Sgt. Musson told me that he saw [REDACTED]  
17 was holding a firearm. He told me he drew his department issued sidearm and moments later had exchanged gunfire with [REDACTED].  
18 Sgt. Musson told me he fired "numerous" rounds at [REDACTED] before moving to a position of cover. At the time of our conversation Sgt.  
19 Musson did not recall the exact number of times he fired at [REDACTED]. He believed [REDACTED] was struck more than one time. Upon  
20 moving to cover he lost sight of [REDACTED] but believed he was still inside the residence and wounded. He had confirmed the female  
21 they had contacted was not injured in the exchange of gunfire but Deputy Freixas had been shot in the shoulder and was injured.  
22 Further, Sgt. Musson told me he was not injured in the confrontation.  
23

24 At the time of my interview with Sgt. Musson I observed he was carrying his patrol rifle. Sgt. Musson told me that he was not armed  
25 with his patrol rifle at the time of the shooting, only his sidearm. He had retrieved the rifle afterwards, from his patrol car, in  
26 preparation of another confrontation but had fired no rounds from it. Sgt. Musson added that he had performed a tactical reload of his  
27 sidearm after the initial exchange of gunfire.  
28

29 Because the purpose of my interview with Sgt. Musson was to obtain a public safety statement only I did not ask him anymore specific  
30 questions. Deputy Freixas had been transported to St. Joseph's Hospital in Eureka for care prior to my arrival and I did not speak  
31 with her.  
32

33 Supplemental report for inclusion with investigation. The purpose of this supplemental was to document Sgt. Musson's public safety  
34 statement only.

**SUPPLEMENT 5 - SWAT MISSION AT [REDACTED] COPPINI LANE**

1 I, Justin Braud, am currently employed as an Operations Division Sergeant for the Humboldt County Sheriff's Office (HCSO).  
2 I am also assigned as the Team Leader, for the HCSO Special Weapons and Tactics (SWAT) Team.

3  
4 On the morning of December 17<sup>th</sup> 2017, at approximately 0100 hours, I received a phone call at home from Deputy  
5 Tomlin. When I answered the phone, I could immediately hear sirens in the background. Deputy Tomlin told me that there  
6 was a hostage situation in Ferndale, and that Deputies were in a shootout. Deputy Tomlin also told me that a Deputy had  
7 been shot. Deputy Tomlin told me the location was [REDACTED] Coppini Lane, and that he was en route. I immediately hung up  
8 the phone and donned my SWAT uniform and gear. I then responded to [REDACTED] Coppini Lane code 3. The following is, to the  
9 best of my recollection, a summary of what happened from this point forward:

10  
11 While en route, I heard Deputy Cress updating HCSO Dispatch and organizing perimeter units via main channel. During this  
12 time I heard Deputy Cress broadcast that Deputies were no longer in contact with the suspect, and his location was  
13 unknown. I also heard that the injured Deputy had been transported to the hospital.

14  
15 Upon my arrival in the area, I found a marked unit parked at the entrance to Coppini Lane where an unknown Officer was  
16 waiving responding units in to the driveway. I drove east down Coppini Lane, but found the last hundred yards or so  
17 blocked by at least ten patrol vehicles parked all in a row. I parked my patrol vehicle in a turnout to the south near a barn  
18 and residence, knowing that some or all of these patrol vehicles would need to be moved for Emergency Medical Services  
19 (EMS) access. While parking I saw Rio Dell Police Department (RDPD) Officer Brady and Humboldt State University Police  
20 Department (HSUPD) Officer Altic gearing up near the last car, and asked if an Incident Command Post (ICP) had already  
21 been established. Neither of them was sure of any details, and had just arrived on scene to assist. Hearing that the  
22 location of the suspect was unknown, I directed Officers Brady and Altic to establish security in the area around my patrol  
23 vehicle, as I intended to establish that area as the ICP. They agreed to do so, at which time I started running east down the  
24 line of patrol vehicles.

25  
26 I reached a group of Officers and Deputies positioned around the front patrol vehicle pointing firearms to the east. This  
27 group included Deputy Cress and Sergeant Musson. Forward of this patrol vehicle, I saw a house on the left, and another  
28 patrol vehicle to the south of it. Past the patrol vehicle, I saw a blue two-story barn structure, and then several other  
29 larger barn structures to the east and south. I greeted Sergeant Musson, verifying he was okay, and then asking for a quick  
30 debriefing on the situation. The following is, to the best of my recollection, a summary of what he told me:

31  
32 Sergeant Musson had responded to the address with Deputy Freixas to investigate a disturbance. Upon arrival they  
33 contacted a female at the two story blue barn structure to the east of the main house. The female said something about  
34 being held against her will, and that the suspect had a firearm. Sergeant Musson said they could see the male subject  
35 inside the structure, and as they started to give him commands, he pointed a shotgun at them. Sergeant Musson said  
36 there was an exchange of gunfire at/in the doorway, with Deputy Freixas getting hit in the left shoulder. Sergeant Musson  
37 said that Deputy Freixas and he retreated to cover behind one of their patrol vehicles with the female, and had not seen  
38 the suspect since. Sergeant Musson said that Deputy Freixas had already been evacuated to a nearby hospital. Sergeant  
39 Musson was unsure how many rounds were fired, or if the suspect was injured. Sergeant Musson did not know who the  
40 suspect was, but described him as a thin Hispanic male wearing a dark sweatshirt.

41  
42 Due to Sergeant Musson having been involved in the shooting, I took over supervising the scene as the Incident  
43 Commander (IC). The scene was very chaotic, with self-deployment occurring everywhere, and no real containment  
44 established. I first obtained a list of all known law enforcement personnel on scene, and where they were located. I then  
45 started directing resources where needed to establish security for our positions.

46  
47 At unknown time Sergeant J. Taylor arrived on scene. I designated him with taking over control of the Arrest/React team  
48 so I could establish the ICP and get started with the tactical planning.

49

HUMBOLDT COUNTY SHERIFF'S OFFICE

826 4TH ST EUREKA, CA 95501 707-445-7251  
SUPPLEMENT 5 - SWAT MISSION AT COPPINI LANE

1 Deputy Tomlin was assigned to stay with Sergeant Musson, and they left the scene together at unknown time.

2  
3 I returned to my patrol vehicle and established the nearby parking area as the ICP. From there, I established a tactical plan  
4 and continued to direct incoming resources until I was relieved of command by Lieutenant Miller. Lieutenant Quenell  
5 arrived on scene, and met with me at the ICP. We then established the Tactical Operations Center (TOC) at the back of his  
6 assigned vehicle, and he asked for my plan to resolve the situation. I told Lieutenant Quenell my intention was to replace  
7 the Arrest/React and inner perimeter positions with HCSO SWAT Operators, which would allow the IC to reposition all  
8 those Deputies and Officers to establish containment of the operational area. Once this was done, HCSO SWAT would  
9 utilize the robot to search the main residence and the two-story barn for the suspect. If we located the suspect, or a blood  
10 trail, that would drive the direction of the mission. If we didn't locate the suspect, or any evidence of where he fled, the IC  
11 would continue developing containment while HCSO SWAT conducted a deliberate search of the property. Using a list of  
12 HCSO SWAT Operators who were responding to the scene, I made the following assignments for the plan:

13  
14 TOC

15 Lieutenant Quenell A9 Commander  
16 Deputy Esget E18 Quartermaster

17  
18 Team 1

19 Sergeant Braud E1 Team Leader  
20 Sergeant Sopoaga E16 Assistant Team Leader  
21 Sergeant Gomes E13 Assistant Team Leader  
22 Deputy Mowrey E8 Arrest/Search Team  
23 Deputy Filippini E22 Arrest/Search Team  
24 Deputy Stallworth E9 Arrest/Search Team  
25 Officer Primofiore 5B66 K9

26  
27 Team 2

28 Sergeant Ireland E10 Assistant Team Leader  
29 Officer Hill E19 Containment

30  
31 Team 3

32 Officer Omey E7 Assistant Team Leader  
33 Deputy Holt E6 Containment

34  
35 Once all responding HCSO SWAT members arrived on scene, we conducted an operational briefing at the TOC.  
36 Assignments were given at the briefing, and the operations plan was read aloud. All HCSO SWAT Operators were dressed in  
37 their distinctly marked HCSO SWAT uniforms.

38  
39 At the conclusion of the briefing, HCSO SWAT members moved up to replace the patrol Deputies/Officers. Team 1 took  
40 over the Arrest/React position. Team 2 took over the containment position to the north. Team 3 took over the  
41 containment position to the south.

42  
43 Once teams were in position, Deputy Stallworth activated the robot and maneuvered it up the steps and into the first floor  
44 of the two-story blue structure. I stood with Deputy Stallworth monitoring the camera screen during this time. Almost  
45 immediately, a shotgun was observed on the floor just to the left of the door. I then observed two shoes (don't recall type)  
46 visible at the end of the bed along the north wall. Upon moving the camera, Deputy Stallworth and I were able to see a  
47 Hispanic male lying on the bed with his head toward the east. He appeared to be wearing a black sweatshirt. Deputy  
48 Stallworth and I did not know for sure that this was the suspect who fired at Deputies, but based on his location and  
49 appearance, we believed it was. Using the microphone function of the robot, we attempted to give the subject

**SUPPLEMENT 5 - SWAT MISSION AT [REDACTED] COPPINI LANE**

1 commands. We could see the subject moving, sometimes in response to what we directed, but ultimately he would not  
2 follow our commands. Not knowing if there was a language barrier, or if the subject was grievously injured and unable to  
3 do as requested, we brought a Spanish speaking Eureka Police Department (EPD) Officer (don't recall name) up to give  
4 commands. The subject was given commands in both English and Spanish for several minutes. During that time the  
5 subject made random movements, but did not comply with our orders to exit the structure and surrender. In viewing the  
6 subject through the small monitor, it appeared the left leg of his pants were dark as if covered in blood or another dark  
7 liquid.

8  
9 Believing that the subject inside was the suspect, and might be too injured to comply with our commands, I put together a  
10 plan to enter and detain him. The plan was for Team 1 to move up to the door of the blue two-story structure with a  
11 shield. Meanwhile, Teams 2 and 3 would move up to provide 360 degree security. Team 1 would then deploy a  
12 diversionary device into the room, to disorient the subject prior to entry. Team 1 would then enter the room dynamically  
13 with a ballistic shield to detain the subject and secure the structure.

14  
15 Once the plan was relayed to all team members, all HCSO SWAT personnel moved into position. Deputy Stallworth kept  
16 monitoring the robot camera during this time, and there was no change. Once at the door, additional surrender  
17 commands were given. There was no response, and the subject did not surrender. Once Team 1 was ready, I deployed a  
18 diversionary device into the room. Was the device activated, Team 1 entered the room. Deputies Filippini and Mowrey  
19 were first to enter the room. Deputy Filippini pinned the subject down against the bed with the ballistic shield while  
20 Deputy Mowrey provided coverage with his rifle. I was third into the room, and stepped on the shotgun to verify it was  
21 not accessible to the suspect. The remainder of Team 1 entered the structure and began clearing it. Deputy Mowrey and  
22 Deputy Filippini, tried to detain the subject on the bed, but he initially resisted. Deputy Mowrey eventually was able to  
23 cuff the subject's hands behind his back. By this time it was evident that the subject was injured and covered in blood, so  
24 Deputies Filippini and Mowrey pulled him on to the floor to provide medical aid. Once I received confirmation from my  
25 team that the structure was clear, I requested EMS move up to provide aid to the subject.

26  
27 EMS arrived at our location, and took over providing emergency aid to the subject. Team 1 stood by inside this location  
28 until they were relieved by Deputies assigned to secure the crime scene.

29  
30 HCSO SWAT next conducted a deliberate search of the property and all outbuildings. During that search, another male  
31 subject was located hiding in one of the milking barns. I was not present during that contact, and do not know the  
32 subjects name. That subject was later taken to the ICP and was turned over to investigative units.

33  
34 Once the search of the property was complete, all HCSO SWAT members then responded back to the TOC for debriefing.  
35 HCSO SWAT Operators then left the property to go off duty, and took no further action.

36  
37 As previously stated, this narrative is merely a summary, to the best of my recollection, without the benefit of notes or  
38 recordings, of my involvement in a fluid and highly stressful situation. This narrative does not encompass every minute  
39 detail, and could be inadvertently off in regards to times, chronological order, etc. If there are any errors contained in this  
40 narrative, they are unintentional.

41  
42 For an exact record of which HCSO SWAT members were deployed to what areas, for what purpose, and at what times,  
43 refer to the attached HCSO Tactical Dispatch Logs.

44  
45 Any additional information will be added as a supplemental.

SUPPLEMENT 8 - DEPUTY FREIXAS EVIDENCE COLLECTION

1 On 12-17-17 at about 0128 hrs Lt. Miller called me at my residence. He explained a Ferndale Police Officer had been shot and he  
 2 needed me to respond to the Humboldt County Sheriff's Office Communications Center to coordinate resource response. A short  
 3 time later he called me again and told me that Deputy Roselle Freixas was the one who had been shot and was either enroute or  
 4 currently at St. Josephs Hospital in Eureka. I responded to St. Joseph Hospital and arrived at about 0159 hrs. I noted an ambulance  
 5 backed into one of the ambulance bays and saw EMT [REDACTED] standing near by. [REDACTED] told me that she had transported Deputy  
 6 Freixas and had some of her equipment in the ambulance. She retrieved a large black plastic trash bag and told me it contained  
 7 clothing and equipment removed from Deputy Freixas to treat her injuries. I took custody of the bag and quickly looked inside to  
 8 found body armor and a tan Sheriff uniform shirt. I secured the bag in the back seat of my unmarked unit and returned to the hospital.  
 9 I then met with Deputy Freixas, and her mother in an exam room. Deputy Freixas was seated on an examination table that was  
 10 elevated so she could sit up. I found her to be alert, and aware of the situation. She was in obvious pain. Deputy Freixas upper body  
 11 was covered with a hospital gown, and she was still wearing green duty pants, but no boots.

12 I saw that Deputy Freixas had several small actively bleeding wounds to her left shoulder. The wounds were all within  
 13 approximately 6" to 8" of each other. I was unable to tell how many wounds there were or if they were entry or exit wounds. I talked  
 14 to one of the nurses who allowed me to look at an X ray of wound area. I saw one white spot on the X ray that I was told was metallic.  
 15 The metallic object was located near the outer portion of the left shoulder. With the small metallic object and wound pattern it  
 16 appeared to me that Deputy Freixas had likely been shot with a shotgun type weapon. I took several pictures of her injuries, from  
 17 different angles. I noted her pants had blood on them and later secured them. I took several photographs of her pants before having  
 18 her remove them. I photographed her cellular telephone, zip drive and personal car keys and returned them to her. She was also  
 19 wearing a pair of light colored leggings. I saw blood on these as well, and collected them. I later turned all of the property I had  
 20 collected over to Eureka Police Detective Ron Harpham and Detective Havens. I downloaded the photos to a cd and booked that cd  
 21 into evidence.

**SUPPLEMENT 10 - SWAT SUPPLEMENTAL**

1 On 12/17/2017 at approximately 0245 hours, I responded to a SWAT call out at [REDACTED] Coppini Ln. in  
2 Ferndale, for an OIS that had just occurred.

3  
4 Upon my arrival the SWAT Team was briefed on each Operator's individual assignments. I was attached  
5 to team one and I was equipped with a ballistic shield. Once the team briefing was complete team one  
6 responded to the area where the OIS occurred.

7  
8 Deputy Stallworth was operating the robot and he maneuvered it into the barn structure where the  
9 shooting had occurred. Once the robot was inside of the barn we were able to see a male subject lying on a bed  
10 near the northwest corner of the structure. The male subject appeared to be injured and I could see blood on his  
11 pant legs. The subject was given commands in both English and Spanish. The subject acknowledged the  
12 commands in both languages however he was uncooperative.

13  
14 After several minutes of unsuccessfully negotiating a peaceful surrender with the suspect, Sgt. Braud  
15 advised that team one would be making entry into the barn to take the suspect into custody. I was assigned the  
16 number one position in the stack with the ballistic shield. I was advised that after Sgt. Braud deployed the  
17 diversionary device inside of the barn, I was to take a direct path to the suspect and pin him down with the  
18 ballistic shield.

19  
20 Team one moved to the entrance of the barn. Upon our arrival at the barn Sgt. Braud deployed the  
21 diversionary device into the barn where the suspect was located. After the diversionary device detonated I made  
22 entry into the barn with the remainder of team one behind me. I quickly moved to the suspect's location and I  
23 positioned myself on top of his person while pinning his torso to the bed with the ballistic shield. I had removed  
24 my handgun from its holster upon entry into the structure. While pinning the suspect down I pointed my  
25 handgun at his head and I ordered him to keep his hands up and to not move. The suspect kept his hands above  
26 his head and he did not move. Deputy Mowrey was also with me and maintaining lethal cover on the suspect  
27 with his SWAT Rifle.

28  
29 After the rest of team one entered and secured the remainder of the barn. Deputy Mowrey and I began  
30 to handcuff the suspect. Deputy Mowrey and I turned the suspect onto his stomach and I placed the suspect's  
31 left hand behind his back. Deputy Mowrey attempted to place the suspect's right hand behind his back but the  
32 suspect tensed his right arm and he began to resist. Deputy Mowrey was able to bend the suspect's arm behind  
33 his back. Deputy Mowrey placed his handcuffs on the suspect's wrists.

34  
35 I conducted a search of the suspect's person for any additional weapons. I did not locate any additional  
36 weapons. Deputy Mowrey and I pulled the suspect off of the bed and we placed him facing upwards, on the  
37 floor. I observed that the suspect had a gunshot wound on his chest and he appeared to have another gunshot  
38 wound on his leg. I removed some quick clot gauze from my medical pouch and I applied it to the suspect's chest  
39 wound. Deputy Mowrey located the gunshot wound on the suspect's leg and he applied pressure to the wound.  
40 Shortly after Deputy Mowrey and I began to give aid to the suspect medical personnel arrived on scene and they  
41 provided care for the suspect. The suspect was transported to St. Joseph's Hospital at a later time.

42  
43 After the suspect was transported to the hospital, we (team one) searched the remainder of the property  
44 for additional suspects/victims/witnesses. Sgt. Ireland with team two, advised over the radio that his team  
45 located an additional subject on the property. No other persons were located on the property. At this time the

**SUPPLEMENT 12 - SUPP. REPORT**

1 On December 17<sup>th</sup>, 2017, at 0120 hours, I was called at my home by Lt. Miller of the Humboldt County Sheriff's  
2 Office. Lt. Miller told me he was the Duty Officer for the week. Lt. Miller had been advised of an officer involved  
3 shooting that occurred on Coppini Lane, Ferndale at about 0050 Hours.

4  
5 He told me Sgt. Musson and Deputy Freixas had been involved in an officer involved shooting. Deputy Freixas  
6 had been shot and was en -route to the hospital via ambulance. The incident was still unfolding and active; the  
7 suspect was believed to still be in the home on Coppini Lane, and a SWAT call out had been requested.

8  
9 Lt. Miller told me The Humboldt County Critical Incident Response Team (CIRT) had been activated, but put on  
10 stand-by. Lt. Miller told me there was at least one subject who was at the end of Coppini Lane standing by with  
11 Deputies, which was at the very least a witness or possibly a victim of the original call for service. I was also told  
12 Deputy Freixa's gun belt was currently being secured by Ferndale Fire employee [REDACTED] [REDACTED] is also  
13 a Voluntary Employee of the Humboldt County Sheriff's Office Search and Rescue.

14  
15 Lt. Miller requested I respond.

16  
17 I contacted Investigator Hicks and requested he meet with arriving CIRT members at the Humboldt County  
18 Sheriff's Office Criminal Investigations Division and brief them on the incident. Investigator Hicks was assigned as  
19 the Lead Investigator from the Sheriff's Office.

20  
21 I responded to the end of Coppini Lane and met Law Enforcement who were securing the outer perimeter. I was  
22 directed to a female identified as [REDACTED] It was dark out and very cold. The outer perimeter was  
23 being held by several different law enforcement agencies. Fire and Medical were staged at Coppini Lane and  
24 Grizzly Bluff Road.

25  
26 I briefly spoke to [REDACTED]. She told me she had been in the home prior to the shooting and had been held in the  
27 home by, "[REDACTED]" with a gun. She told me, "[REDACTED]" had shot or shot at and missed her boyfriend, [REDACTED] prior  
28 to law enforcement arriving. [REDACTED] asked me if I knew the status of "[REDACTED]" I told her I did not. [REDACTED] did  
29 not know if [REDACTED] was injured. She said he fled out a window on the second floor of the home after being shot  
30 at. I asked her if she was injured and she told me she was not. She sated she was right there when the deputy  
31 was shot, and she ran for cover and hid behind a tractor.

32 I asked [REDACTED] if she was willing to go with me to Eureka where she could be interviewed, she agreed. I had  
33 her sit in my vehicle where it was warm. She was dressed in light clothing with no jacket.

34  
35 I contacted [REDACTED] who was standing by with Fire and Medical at the intersection of Coppini Lane and  
36 Grizzly Bluff Road. [REDACTED] told me he had secured the gun belt and other personal property from Deputy  
37 Freixas while medical was preparing her to be transported to the hospital. [REDACTED] told me he left the belt as it  
38 was handed to him, and he secured it in his vehicle where it had remained secured until now. At about 0220  
39 hours, I took possession of the belt, and its contents. I put it in the trunk of my car. In addition to the belt, there  
40 was a plastic medical bag that contained other Law Enforcement related items. It too was placed in the trunk of  
41 my vehicle.

**SUPPLEMENT 12 - SUPP. REPORT**Page 2  
201706236

1 I was advised there were two subjects [REDACTED] and [REDACTED] who did not witness the incident but had  
2 only heard the gun shots. They were sitting in a nearby patrol vehicle. They were later interviewed by  
3 Investigator Hicks. (See his report)

4  
5 I left the area with [REDACTED] at about 0235 hours. [REDACTED] requested to use the bathroom. I transported her to  
6 Fernbridge Renner gas station where she used the bathroom. She then requested I take her to Fortuna where her  
7 sister lives to pick up some warm clothing. [REDACTED] directed me to Ridge Top Lane Fortuna. Upon our arrival, we  
8 meet with her sister who provided her with a sweatshirt.

9  
10 I then transported her to the Criminal Investigations Division of the Humboldt County Sheriff's Office. She was  
11 placed in an Interview room.

12  
13 Senior Detective Harpham and Det. Havens were processing Sgt. Musson and his gear in the CID briefing room.  
14 Once they completed the processing, I spoke briefly with Sgt. Musson and explained I would like to conduct  
15 interviews with he and his counsel no later than Tuesday. Sgt. Musson told me he would have his LDF attorney  
16 contact me.

17  
18 District Attorney Investigator Cooper and I went out to my car and retrieved the gear belonging to Deputy  
19 Freixas, and turned it over to Det. Harpham and Det. Havens. (See their reports for details)

20  
21 I was then briefed by Investigator Hicks. He told me he was in the process of writing a search warrant for the  
22 structures located on Coppini Lane. Lt. Fridley was at the hospital with Deputy Freixas who appeared to have  
23 non-life threatening injuries.

24  
25 Lt. Todd Dokweiler of Arcata police Department and Det. John Gordon Eureka Police Department interviewed  
26 [REDACTED] (See their reports for details).

27  
28 I was contacted by Lt. Miller who told me they had two additional subjects to be interviewed. One of them being  
29 a Spanish speaking male, and the other was [REDACTED] the person who initially called 911 to report the  
30 incident. Lt. Miller told me a Spanish speaking interpreter would need to speak to the male. I requested they  
31 both be transported to Eureka to be interviewed.

32  
33 Lt. Dokweiler, hearing that there were Spanish speaking persons headed to the Criminal Investigations Division  
34 who needed to be interviewed, requested Sgt. Ortega of Arcata Police Department respond to assist.

35  
36 At about, 0430, I heard over the radio that the suspect had been detained, and was en route to the hospital with  
37 multiple gunshot wounds.

38  
39 Lt. Dokweiler and Det. John Gordon had just finished interviewing [REDACTED]. I was told that [REDACTED] was unsure  
40 if [REDACTED] was shot or not but knew for sure he had been shot at. I contacted Sheriff Honsal and had Det. Gordon  
41 brief him on what had been discovered thus far. I wanted to make sure the person who was being transported  
42 was the suspect and that all potential Victims were accounted for.

1  
2 Sheriff Honsal asked for a clothing description of [REDACTED] and of "[REDACTED]" Det. Gordon returned to the interview  
3 room and came back with the clothing description. Sheriff Honsal asked for descriptions of tattoos I spoke to  
4 [REDACTED] and she told me [REDACTED] had a full sleeve of tattoos on his arm, and she did not recall if [REDACTED] had  
5 tattoos but did not think so.

6  
7 At 0553, I was emailed a photograph of the person whom was believed to be the person [REDACTED] called,  
8 "[REDACTED]" The email was from Deputy Tomlin. Deputy Tomlin had taken the photograph while at the hospital. I  
9 printed the photograph, and presented it to [REDACTED] and asked her who the person was. She told me it was the  
10 person who had committed the crimes against her and [REDACTED]. I do not recall the exact words she used as I do not  
11 have a copy of the recording. I later booked the photo into evidence.

12  
13 At some point during this investigation, I was contacted by Lt. Miller and told that [REDACTED] had been located on the  
14 ranch and he was not injured. I contacted [REDACTED] and advised her [REDACTED] had been located uninjured. I told her  
15 he would be transported to CID to be interviewed. When I contacted [REDACTED] to tell her this she was sleeping. I  
16 had to wake her up to tell her the information.

17  
18 At about 0610 hours, I was contacted by Investigator Hicks who told me he arrived on scene and Law  
19 Enforcement personnel at the scene had located two other witnesses to the incident. He told me both were  
20 Spanish speaking. These two people would also be transported to Eureka to be interviewed. These subjects were  
21 identifies as [REDACTED] and [REDACTED]

22  
23 [REDACTED] was move to another room to wait for [REDACTED]

24  
25 Sgt. Ortega conducted the interviews with the Spanish speaking witnesses. (See his report for details)

26  
27 Investigator Peterson and Det. Bise of Eureka Police Department responded to St. Joseph Hospital to collect any  
28 evidence from the suspect and attempt to obtain a statement from him regarding the incident. (see their reports  
29 for details)

30  
31 After [REDACTED] was interviewed, Lt. Dokweiler told me he had some concerns as to the true identity of [REDACTED]. He  
32 requested we have [REDACTED] live scanned, finger printed, in an attempt to gain a true identity of [REDACTED]. [REDACTED]  
33 agreed to go to the Humboldt County Correctional Facility to be finger printed for identity purposes. Det. Havens  
34 walked [REDACTED] over to the jail to be finger printed. [REDACTED] was given food in the form of a jail lunch to eat. He ate  
35 the lunch once he returned to CID.

36  
37 [REDACTED] all waited in various waiting rooms and lobbies until they  
38 interviewed. They were all kept separate except for seeing each other in passing. Once they were interviewed  
39 they were free to be with each other. [REDACTED] and [REDACTED] waited the CID/ Civil lobby. As they decided to wait  
40 for [REDACTED] and [REDACTED] so they all could leave together. I had previously made arrangements for them to get a  
41 ride to the Fortuna area but they chose to come up with their own method of transportation. [REDACTED]. I was told,  
42 "his baby momma," lived not more than two blocks from the Sheriff's Office.

SUPPLEMENT 13 - SUPPLEMENTAL

Page 1  
201706236

1 On 12/17/2017, I was working patrol for the Humboldt County Sheriff's Office. I was  
2 wearing a distinctly marked uniform and driving a marked patrol vehicle.

3  
4 At about 0051 hours, I overheard a radio transmission of shots fired and a request for  
5 additional units to respond to [REDACTED] Coppini Lane, Ferndale. I advised HCSO dispatch I  
6 would be en route Code 3 from the greater Willow Creek area, with emergency lights  
7 and siren activated.

8  
9 I arrived on scene at about 0142 hours. I parked my patrol vehicle in front of a large barn  
10 type building and responded on foot further down Coppini Lane an unknown distance. I  
11 met with Sgt. Braud and Sgt. J. Taylor behind an unknown patrol vehicle which was  
12 parked approximately 30 yards from a residence which I believed to be [REDACTED] Coppini Lane  
13 in Ferndale. After being briefed I was assigned to a perimeter position on the about  
14 southeast corner of the residence.

15  
16 After an unknown amount of time, Sgt. J. Taylor requested I respond to the Command  
17 Post for further assignment.

18  
19 I responded to the Command Post and met with Lt. Miller. Lt. Miller requested that Rio  
20 Dell Police Officer Brady, Humboldt State University Office Altic and I responded to the  
21 intersection of Grizzly Bluff Road and Coppini Lane in Ferndale for road security. The  
22 intersection of Grizzly Bluff Road and Coppini Lane was also the staging location for fire  
23 and medical personnel.

24  
25 While Officer Altic and I were walking on Coppini Lane towards Grizzly Bluff Road we  
26 were notified via radio that a male subject in a vehicle was driving towards us on Coppini  
27 Lane. Officer Altic and I halted the vehicle and it stopped. The driver and only occupant of  
28 the vehicle was a Hispanic male who appeared to speak little English. The vehicle  
29 appeared to be an older, dark colored sedan. The male subject complied with turning  
30 the vehicle around then drove down Coppini Lane towards Grizzly Bluff Road. The  
31 Hispanic male did not identify himself however he repeatedly made unclear statements  
32 about his brother. It was unclear due to the extensive language barrier who his brother  
33 was or his involvement in the current incident.

34  
35 Once at the intersection of Grizzly Bluff Road and Coppini Lane, some unknown time

1 later Deputy Vickman and Ferndale Officer Shumard brought a male and female subject  
2 to the staging area. I later identified the male and female subjects to be (IP) [REDACTED]  
3 [REDACTED] and (IP) [REDACTED]. After an unknown amount of time, Sergeant Freese  
4 arrived at the intersection of Grizzly Bluff Road and Coppini Lane. Sergeant Freese  
5 requested I obtain brief statements from [REDACTED]

6  
7 I first interviewed [REDACTED]. The following is a summary of [REDACTED] statement to the best of  
8 my recollection:

9  
10 On 12/17/2017, [REDACTED] and [REDACTED] were in [REDACTED] bedroom sleeping. [REDACTED]  
11 bedroom is located on the about northeast side of the residence at what [REDACTED] stated  
12 was [REDACTED] Coppini Lane in Ferndale.

13  
14 [REDACTED] stated at what she believed to be sometime around 0000 hours, she and [REDACTED]  
15 heard what they thought to be four or five gunshots coming from outside the house.  
16 [REDACTED] recalled hearing muffled voices yelling and what she thought to be someone  
17 yelling "Put your hands up." After an unknown amount of time, [REDACTED] and [REDACTED] saw  
18 more lights appear in the driveway and heard some talking over what they thought was a  
19 speaker. [REDACTED] stated [REDACTED] believed the officers were telling him to come outside.  
20 [REDACTED] stated [REDACTED] then exited the residence using the front door which faces Coppini  
21 Lane. Sometime after [REDACTED] went outside, [REDACTED] called [REDACTED] and told her to come  
22 outside. [REDACTED] then went outside where she was detained by officers outside then later  
23 taken to the staging location at the intersection of Grizzly Bluff Road and Coppini Lane in  
24 Ferndale. [REDACTED] did not have any further information at that time.

25  
26 I interviewed [REDACTED]. The following is a summary of [REDACTED] statement, to the  
27 best of my recollection:

28  
29 On 12/17/2017, sometime between 0000-0100 hours, [REDACTED] and his girlfriend [REDACTED]  
30 [REDACTED] were in his bedroom sleeping at his house which he stated was [REDACTED] Coppini Lane  
31 in Ferndale.

32  
33 [REDACTED] and [REDACTED] heard what he believed to be gunshots from outside the house. [REDACTED]  
34 stated he was startled and got up from his bed then went to the front door of the house  
35 which is located on the side of the house facing Coppini Lane. [REDACTED] opened the front

1 door and saw two officers outside yelling what he thought was "Get down, get down."  
2 [REDACTED] then stated he thought he heard an officer say "Officer down" or something to  
3 that effect. [REDACTED] stated he did not have the door open for long but thought he saw  
4 one or two police cars on the roadway.

5  
6 Some unknown time later, [REDACTED] stated he saw a lot more police cars on the roadway  
7 and heard someone speaking over what he thought was a speaker. [REDACTED] heard  
8 someone saying "Come out" repeatedly. After hearing the voices outside, [REDACTED] looked  
9 outside through his bedroom window. [REDACTED] recalled hearing someone outside  
10 mention seeing him therefore he waved his hand at the officers through the window.  
11 [REDACTED] then got dressed and exited the house from the front door. [REDACTED] stated  
12 officers walked him back to the police cars and handcuffed him. [REDACTED] then sat inside  
13 the police car for an unknown amount of time. When an officer spoke to [REDACTED]  
14 sometime later he advised them that his girlfriend, [REDACTED] was inside the house  
15 still. At that point [REDACTED] was allowed to call [REDACTED] and advise her to come outside.  
16 Once [REDACTED] was out of the house, she and [REDACTED] were detained in the police car for an  
17 unknown amount of time until they were transported to the staging area at the  
18 intersection of Grizzly Bluff Road and Coppini Lane in Ferndale.

19  
20 [REDACTED] did not have any further information at that time.

21  
22 Sometime later, I was directed to lead medical personnel to the scene to provide aid to  
23 the suspect. I then lead Ferndale Fire personnel and ambulance staff to the incident  
24 location they then responded to the suspect's location. A short time later I was directed  
25 to ride in the ambulance with the suspect to St. Joseph's Hospital. My patrol vehicle was  
26 left on scene with Deputy Pryor, [REDACTED] and [REDACTED] were inside my patrol  
27 vehicle at the time I left the scene.

28  
29 I then rode inside the ambulance with the suspect to St. Joseph Hospital. Once at St.  
30 Joseph Hospital, I remained on scene until later relieved by Deputy Cumbow.

31  
32 I later responded back to Ferndale and retrieved my patrol vehicle from the scene.

33  
34 I did not have any further role in this investigation.

1 This documentation is at the request of Lt. Fridley.  
2

3 On 12/17/17 I was telephoned at home by Sgt. Musson. Sgt. Musson requested a Union representative. I responded to the Office  
4 and was given a limited basic briefing about the event that had occurred. I contacted Sgt. Musson and put him in contact with Legal  
5 Defense Fund. After Sgt. Musson was done in CID I offered him a ride home. On the way out of Eureka we were informed that  
6 Deputy Freixas was about to be released from St. Joseph Hospital. I drove to the Hospital to inquire about Deputy Freixas health and  
7 to insure Deputy Freixas was put in contact with Legal Defense Fund. We briefly spoke to Deputy Freixas at the Hospital regarding  
8 her health. I then drove Sgt. Musson to his home in Fortuna.

SUPPLEMENT 15 - MEDICAL STAND BY/JAIL TRANSPORT

1 On 12/17/17, I was working uniformed patrol for the Humboldt County Sheriff's Office, in a marked patrol  
2 vehicle. I was dispatched to St. Joseph Hospital to stand by with (S) [REDACTED] while he received medical  
3 treatment for gunshot wounds.

4  
5 I arrived at St. Joseph Hospital at approximately 0529 hours. I stood by the emergency room door that [REDACTED] was  
6 being treated in. I did not speak to [REDACTED] during my time at the hospital, nor did he speak with me.

7  
8 After medical staff treated [REDACTED] I transported him to the HCCF to be booked into jail at approximately 0921  
9 hours. Medical staff at the jail refused to book [REDACTED] into jail due to level of sudation from medication he  
10 received at the hospital, and not being unable to answer medical questions asked by the translator at the jail.

11  
12 At approximately 0946 hours, I transported [REDACTED] back to St. Joseph Hospital, where he received more medical  
13 attention. I did not communicate with [REDACTED] during the time he was at the hospital. Medical staff cleared [REDACTED]  
14 for transport the HCCF at 1118 hours.

15  
16 I transported [REDACTED] to the HCCF at approximately 1123, where he was booked into jail.

17  
18 Later that same day, at approximately 1740 hours, I rode to [REDACTED] Coppini Lane, Ferndale, CA, with Sgt. McCall. I  
19 then drove Sgt. Musson's patrol vehicle to his residence. Sgt. McCall followed me in his patrol vehicle. I rode back  
20 to [REDACTED] Coppini Lane, Ferndale, CA, with Sgt. McCall in his patrol vehicle. I then drove Deputy Freixas' patrol  
21 vehicle to the basement of the HCSO. I locked the doors of the patrol vehicle and placed the keys to the vehicle  
22 in Sgt. Freese's office.

23  
24 Nothing further.

**SUPPLEMENT 16 - COMMUNITY SERVICE OFFICER INVOLVEMENT**

1 On Sunday, December 17, 2017, at 0249 hours I received a telephone call from the Sheriff's Office Emergency  
2 Communications Center requesting I respond to [REDACTED] Coppini Road in Ferndale for an officer-involved-shooting. I  
3 asked in what capacity I was requested to respond and the dispatcher did not know, just that Sheriff Honsal  
4 requested me to respond to the Command Post (CP) at the listed address.

5 I responded to the Sheriff's Office and changed into my Community Service Officer uniform and drove the  
6 assigned Community Service Officer truck to the CP. I met with Sheriff Honsal and he assigned me to assist Lt.  
7 Kevin Miller in whatever he needed.

8 I walked around with Lt. Miller until he assigned me to keep a list of the law enforcement officers who were  
9 dismissed from the scene. I was to write down the name, agency, and time for each officer clearing the scene. I  
10 stood by Lt. Miller's duty vehicle, writing the requested information on my notepad. As the sun rose, Lt. Miller  
11 and I sat in his vehicle to collect the information from the few remaining assisting agencies officers clearing.

12 At 0600 hours I informed Lt. Miller I had planned on volunteering at the Eureka Police Department's Shop with a  
13 Cop event at 0800 hours. He said he would see how things go and if he would be able to release me in time to  
14 attend the event. At 0730 hours Lt. Miller released me from the scene so I may attend Shop with a Cop. I left the  
15 list of officers with Lt. Miller. I cleared the scene and went off-duty at approximately 0805 hours.

16 There is nothing further.

SUPPLEMENT 17 - SUPPLEMENTAL

1 On 12/17/2017, at approximately 0126 hrs, I was called while off-duty by Dispatch requesting a response to 720  
2 Coppini Lane in Ferndale. Dispatch advised that Deputies with the Sheriff's Office were involved in an officer involved  
3 shooting at that location, and were requesting additional personnel to the scene. Dispatch advised the suspect was still  
4 outstanding at the time I was dispatched. Dispatch informed me I asked by Deputies on scene to respond to Ferndale  
5 Volunteer Fire Department (FVFD), which I am a volunteer member of, and retrieve a Thermal Imaging Camera (TIC) to  
6 assist with locating the outstanding suspect in this case.

7  
8 I responded in a marked Sheriff's Office patrol vehicle (07-148) wearing a full Sheriff's Office uniform from my  
9 residence in Ferndale at approximately 0144 hrs, arriving on scene at approximately 0146 hrs. Upon my arrival, I was  
10 flagged down by FVFD personnel at their staging location, the intersection of Grizzly Bluff Road and Coppini Lane. FVFD  
11 Assistant Chief Rick Nicholson informed me that prior to my arrival, they had provided an unknown officer with the TIC,  
12 and it was at the incident location. Chief Nicholson informed me that they had a witness to the incident sitting with them,  
13 and that no law enforcement had spoken to her as of the time of my arrival.

14  
15 I informed Dispatch of my location, and that the TIC had already arrived at the incident location. I also informed  
16 Dispatch that I was with a subject who said she was a witness to the incident, and I would obtain any pertinent preliminary  
17 information from the witness that could aid in the apprehension of the suspect. I conducted a brief and concise interview  
18 with the subject, and learned the following, to the best of my recollection and notes:

19  
20 The subject identified herself as (V) [REDACTED] [REDACTED] told me that she was inside the residence  
21 where the incident occurred with her boyfriend, (V) [REDACTED] [REDACTED] said that she and [REDACTED] reside at the  
22 residence, and that (A) [REDACTED] stays at the residence occasionally. It should be noted that [REDACTED] could  
23 only identify [REDACTED] by the moniker "[REDACTED]". For clarity in this report, I have edited [REDACTED] use of the term "[REDACTED]" to  
24 the actual name of the subject, [REDACTED]. Throughout the following documented statement from [REDACTED], each time the  
25 name [REDACTED] is used, [REDACTED] referred to [REDACTED] as "[REDACTED]". [REDACTED] told me that [REDACTED] had been staying at the residence  
26 for the past 2-3 days. [REDACTED] said that over the past 2 days, [REDACTED] had been acting odd. [REDACTED] described "acting odd"  
27 as [REDACTED] talking to himself, and not making sense when he spoke.

28  
29 [REDACTED] said that prior to this incident, at an unknown time; [REDACTED] entered the residence and began yelling  
30 about his entire family being dead. [REDACTED] believed that [REDACTED] thought [REDACTED] killed his [REDACTED] family, but [REDACTED] did  
31 not know why [REDACTED] had that belief. [REDACTED] called [REDACTED] brother (unknown name) to show [REDACTED] that his brother was not  
32 dead.

33  
34 At this point, [REDACTED] statement was somewhat hard to follow, likely due to the intensity of the events that  
35 had previously occurred. I knew that Sheriff's Office Detectives would be following up with [REDACTED] therefore I did not  
36 ask specific questions that were not of immediate officer safety concerns. I was able to gather the following from the  
37 statement:

38  
39 At some point during the argument about [REDACTED] belief that his family was deceased, the argument became more  
40 heated. [REDACTED] retreated from the residence leaving [REDACTED] and [REDACTED] inside. [REDACTED] intent was to retrieve a cattle prod  
41 (an electrical device used to deliver a small shock to a cow to assist in herding efforts) from a barn at the property.  
42 [REDACTED] said [REDACTED] went for the cattle prod to have some sort of self defense in the case that [REDACTED] actions continued  
43 escalating. While [REDACTED] was gone retrieving the cattle prod, [REDACTED] left the room that [REDACTED] was inside, and returned to  
44 the room with, what she believed to be a shotgun. She described the firearm as a long gun, with a single large barrel.  
45 [REDACTED] developed the belief that it was a shotgun because he had shotgun shells with him in one of his hands. [REDACTED]  
46 said that [REDACTED] shot a round inside the house at some point after retrieving the firearm, and before Sheriff's Office arrival.  
47 [REDACTED] said that [REDACTED] forced her to sit in a chair inside the residence, and he would not let her leave the residence. At  
48 some point, Sheriff's Deputies arrived on scene. [REDACTED] said when Deputies approached the door, [REDACTED] shot his firearm  
49 at the Sheriff's Deputies. [REDACTED] said the Sheriff's Deputies returned fire from their weapons at [REDACTED]

SUPPLEMENT 17 - SUPPLEMENTAL

1  
2 As previously stated, the last paragraph from [REDACTED] statement was hard to follow, and appeared that she was  
3 still in a state of shock about what had occurred. [REDACTED] had difficulty remembering lengths of time, or times when  
4 events occurred.  
5

6 This concluded my statement with [REDACTED] [REDACTED] agreed to wait with FVFD personnel at that location for  
7 follow up contact for a detailed statement from Sheriff's Office Detectives.  
8

9 FVFD Chief Nicholson informed me that the TIC was only provided to officers with one battery. I then responded  
10 to the Ferndale Fire Station, where I retrieved a backup battery for the TIC. I responded to the staging location with the  
11 battery and met with Lt. Miller. I provided Lt. Miller and Sheriff Honsal with the information listed above which I learned  
12 from [REDACTED] I remained on scene at the staging location with Lt. Miller for an extended period of time.  
13

14 Later in the morning, I overheard radio traffic that officers had located a subject walking through a field to the  
15 rear of one of the residences. Deputy James, Ferndale Police Department (FEPD) Officer Shumard and I were directed by  
16 Lt. Miller to respond and assist in detaining that individual. We ran down the driveway, and found that Deputies had the  
17 subject detained in handcuffs. Deputy James, FEPD Officer Shumard and I escorted that subject to a patrol vehicle, where  
18 he was seated inside pending further investigation. Deputy James, FEPD Officer Shumard and I stood by with the subject  
19 until he was transported from that location for further interview. It should be noted that I did not obtain the subject's  
20 name; therefore it is not referenced in this report. I returned to the staging area to await further assignment.  
21

22 In the early morning hours, I was sent to relieve Deputies who were securing the crime scene. I responded to the  
23 location of the residence where the incident occurred. I stood by with Sgt. J. Taylor, Deputy Esget and Deputy Silva at this  
24 location awaiting the arrival of Sheriff's Office Detectives. At this time, another subject approached us from a field to the  
25 east of the driveway. The subject was detained and transported for further interview per the request of Sheriff's Office  
26 Detectives.  
27

28 Deputy Silva and Deputy Esget were released a short time later. I remained on scene with Sgt. J. Taylor until the  
29 arrival of additional Deputies to relieve me. I was released from the scene at approximately 0812 hrs.  
30

SUPPLEMENT 18 - FERNDALE OIS SUPPPage 1  
201706236

1 On 12/17/2017, at approximately 0051 hours, I was working patrol for the Humboldt County Sheriff's Office. I was wearing  
2 a distinctly marked HCSO patrol uniform and operating a marked HCSO patrol vehicle. I overheard a radio transmission of  
3 shots fired and a request for additional units to respond to [REDACTED] Coppini Lane, Ferndale. I advised HCSO dispatch I would be  
4 en route Code 3 from North Area Command Station, McKinleyville with emergency lights and siren activated.  
5

6 Upon arriving on scene, I was directed by Sergeant Musson to set up a perimeter to the east of the residence along with  
7 two officers from Eureka Police Department (EPD) and one officer from Arcata Police Department (APD). As we were  
8 sweeping the area to secure the east perimeter, we located a small travel trailer with lights on inside. I relayed the  
9 information to Sergeant Musson, who then advised we clear the residence to confirm no subjects were inside. I knocked  
10 on the front entrance door and was met by (RP) [REDACTED]. I asked [REDACTED] if there was anyone else in the residence.  
11 [REDACTED] stated she was alone. I asked [REDACTED] to stand by with the two EPD officers while I did a protective sweep of the  
12 residence. There were not any other subjects located inside the residence. I informed Deputy Cress we had located  
13 [REDACTED] and I was advised by Deputy Cress to transport [REDACTED] to the staging area. Upon my arrival at the staging, I  
14 received the following statement from [REDACTED].  
15

16 [REDACTED] stated she was inside of her residence with her husband [REDACTED]. [REDACTED] said she heard a knock on the  
17 door. [REDACTED] opened the door and [REDACTED] told her that [REDACTED] was holding his girlfriend hostage.  
18 [REDACTED] at first assumed [REDACTED] was joking with her. [REDACTED] stated [REDACTED] walked over to the residence/barn where  
19 [REDACTED] lives and observed [REDACTED] with a shotgun. [REDACTED] said [REDACTED] asked her to call 911. [REDACTED] described [REDACTED]  
20 [REDACTED] as a Hispanic male approximately 5'3" tall, medium build with black hair and brown eyes. [REDACTED] could not recall  
21 what [REDACTED] was wearing the last time she had seen him. [REDACTED] stated [REDACTED] had been fired two weeks prior because he  
22 was acting "erratic" and running through the fields and talking to himself. [REDACTED] stated he was allowed to come to the  
23 residence but no longer worked there. [REDACTED] stated [REDACTED] has been living with other dairy workers on the Alexander  
24 Dairy and when he gets kicked of the Coppini Dairy he usually runs there. [REDACTED] stated she did not hear any gunfire prior  
25 to [REDACTED] knocking on her door and the only gunfire she heard was after Deputies arrived on scene. [REDACTED] stated she hid  
26 in her residence until I arrived. [REDACTED] did not provide me with any further information.  
27

28 I was then directed by Lieutenant Miller to start a log of all radio traffic until the Mobile Command Unit arrived on scene. I  
29 remained on scene at the staging area with Lt. Miller until the Mobile Command unit arrived. I was then directed by Lt.  
30 Miller to debrief Command Dispatcher [REDACTED]. After debriefing [REDACTED] I was directed to [REDACTED]  
31 residence to stand security over three found firearms with Sergeant Taylor and Ferndale Police Officer Lindgren.  
32

33 At approximately 0630 hours, I was directed to transport a male Hispanic subject known as "[REDACTED]" to Criminal  
34 Investigation Division (CID) for further interview. Upon my arrival at CID, I was released from at approximately 0745 hrs.  
35

SUPPLEMENT 19 - SUPPLEMENTAL

1 On 12/17/2017, I was working uniformed patrol for the Humboldt County Sheriff's Office (HCSO) and assigned to  
2 the southern Humboldt region. At approximately 0054 hours, Deputy Silva and I were advised by the HCSO  
3 dispatch of an officer involved shooting at [REDACTED] Coppini Lane in Ferndale and dispatched us to respond.  
4  
5 I initiated my overhead lights and siren and responded to the location code three. Deputy Silva and I arrived  
6 simultaneously and met with Sergeant Braud who assigned us and an unknown officer of an outside agency to  
7 over watch on the West fence line of the West sides of both residences on the property.  
8  
9 While working our way into position we were advised by other units on scene they noticed motion inside the  
10 South residence through one of the West facing windows. I positioned myself with Deputy Silva and the other  
11 officer, who I never got the chance to introduce myself to, with a view of the open west facing door of the North  
12 residence and of the open West facing door of the South residence.  
13  
14 The three of us remained on over watch for an unknown amount of time. At approximately 0342 hours, I heard  
15 the electric ticking sound of the electric fence behind me to the West increase in frequency and volume. At the  
16 same time I also heard what sounded like heavy footsteps coming from the same location. I turned around,  
17 along with several other officers, and shined my light in the direction which illuminated a Hispanic male adult  
18 walking towards the officers at the South West corner of the South residence.  
19  
20 As multiple flashlights illuminated the male I identified as law enforcement by yelling, "Sheriff's Office, show me  
21 your hands." My self and several others commanded the male to stop and to show us his hands. The male did  
22 not comply and continued walking towards us. The officer I was on over watch with presumably commanded the  
23 same in Spanish; however, the male turned around, placed his hands at his waist and sat on the ground. Through  
24 several commands to show us his hands the male remained in the same position. I approached the man with  
25 other unknown officers, pried his right arm from his waist, and detained him in handcuffs behind his back. The  
26 male was escorted to the back seat of a patrol vehicle by Deputy James, Deputy DelBiaggio and Ferndale PD  
27 Officer Shumard.  
28  
29 I briefly searched the West bound tractor road through the large open field which the man came in on. After not  
30 locating any other individuals, I returned to my original over watch position with Deputy Silva and the other  
31 officer. At an unknown time I was relieved from my post by two agents of the SWAT team.  
32  
33 I returned to my vehicle at the command post where I was later asked by Deputy Morris to watch over two  
34 witnesses detained in the back seat of his patrol vehicle. While watching over the witnesses I was also asked to  
35 watch over the Hispanic male I originally detained who was asleep in the back seat of another patrol vehicle.  
36 Deputy Morris was then sent to the hospital in the ambulance with the main suspect and I remained with his  
37 vehicle and the male and female witnesses and the Hispanic male until I was relieved by Detective Hicks several  
38 hours after daylight.  
39  
40 After my relief by Detective Hicks I cleared the scene.  
41  
42 No further information.  
43  
44

**SUPPLEMENT 20 - SUPPLEMENTAL REPORT**

1 Supplemental Investigation:  
2

3 On 12-17-17 I was assigned to work patrol in Hoopa. I was on Big Hill Rd. in Hoopa when I heard Sgt. Musson and Deputy Freixas  
4 become involved in an officer involved shooting in Ferndale. As our shift supervisor was involved in the critical incident I immediately  
5 called off duty Sgt. Braud and Sgt. J. Taylor and made them aware of what was happening so they could respond. I responded to  
6 Coppini Ln. in Ferndale from Hoopa and arrived on scene approx. one hour after the initial radio traffic.  
7

8 When I got to the command center I was directed to transport Sgt. Musson back to the Humboldt County Sheriff's Office. I drove Sgt.  
9 Musson back to the HCSO and then left him with the investigators under the supervision of Sgt. Freese. I then returned to Ferndale.  
10 When I arrived back on scene I was given the assignment of following the ambulance transporting the suspect to St. Joseph Hospital.  
11 Deputy Morris was inside the ambulance with the suspect and I followed them to St. Joseph Hospital. Once at the hospital I assisted  
12 Deputy Morris in placing the suspects shoes and clothes into brown paper bags.  
13

14 I was then relieved at the hospital and directed to return to the HCSO to stand by with witness [REDACTED] ( [REDACTED] ). I sat  
15 in with [REDACTED] as Detective Gordon from ED interviewed her. I then offered [REDACTED] a ride to her families residence in Fortuna but she  
16 declined the ride.  
17

18 I did not have any other role in this investigation.  
19

20 Disposition: Closed by Report.  
21

22 Forms Attached: None.

**SUPPLEMENT 21 - OIS SUPPLEMENTAL**

1 On 12-17-17, I was working uniformed patrol for the Humboldt County Sheriff's Office (HCSO.) I was driving a marked patrol vehicle  
2 and working out of the Eureka area. At approximately 0802 hours, I responded to Coppini Lane as scene security.  
3  
4 I clocked ingress and egress of Coppini Lane, allowing law enforcement personnel and investigators through. All civilians were  
5 stopped until Detective Hicks approved their entry. I remained on scene until approximately 1910 hours, when all investigators had  
6 cleared the scene.

**SUPPLEMENT 22 - OIS SUPPLEMENTAL**

Page 1  
201706236

1 On 12/17/2017, while on duty, I was wearing a HCSO patrol uniform, driving a fully marked HCSO patrol vehicle.  
2 At approximately 0051 hours, I was patrolling in the area of the Fairhaven Business District when I heard a radio  
3 transmission of shots fired at [REDACTED] Coppini Lane, Ferndale (County of Humboldt). I had previous knowledge of  
4 Sgt. G. Musson and Deputy R. Freixas being dispatched to [REDACTED] Coppini Lane for a welfare check.  
5

6 While en route Code-3 (lights and sirens) to Coppini Lane, I heard a follow-up radio transmission from Sgt.  
7 Musson that an officer had been shot. At that time, I was not aware which person had been injured. Another  
8 transmission followed, wherein, I heard Deputy Freixas' call sign as she was being transported to a medical  
9 staging area.  
10

11 At approximately 0111 hours, I arrived on scene at Coppini Lane and parked my vehicle behind multiple other  
12 patrol vehicles from various agencies. I made contact with Deputy H. Esget and Ferndale Police Department  
13 (FEPD) Officer T. Shumard at the third patrol vehicle from the residence. I took cover behind the vehicle's  
14 passenger door with my firearm pointed toward the residence. An unknown amount of time later, Sgt. Musson  
15 requested my assistance at the rear of the same vehicle. Sgt. Musson asked me to engage with a male who had  
16 been detained prior to my arrival. Specifically, Sgt. Musson requested I obtain a drawn diagram of the residence  
17 and barn on the property.  
18

19 I retreated to a different patrol vehicle and made contact with the male who identified himself as (IP) "[REDACTED]"  
20 or "[REDACTED]" [REDACTED] sat in the rear of the patrol vehicle with his hands handcuffed behind him. I drew a  
21 quick diagram as [REDACTED] provided the information: immediately upon entering the residence through the front  
22 door on the east wall was the kitchen and living room (separated only by a low-lying bar). The living room  
23 connected to a narrow hallway, which led to a bedroom on the west wall; a bedroom on the northwest corner; a  
24 bedroom on the northeast corner; and a bathroom on the east wall. [REDACTED] further informed me there were  
25 three entrances/exits: the front door on the east wall; a sliding glass door in the living room near the southwest  
26 corner; and a broken door between two bedrooms on the north wall. [REDACTED] provided the location of windows;  
27 however, I do not recall an exact amount or their specific locations. I labeled the diagram as "house."  
28

29 [REDACTED] then described the barn as a "large open layout with two floors." Due to the time restraint and the  
30 necessity for the barn diagram, I un-handcuffed [REDACTED] right wrist and allowed him to draw the barn layout.  
31 [REDACTED] stated although the first floor was open, there was one wall to the rear of the barn (north end) that  
32 separated a small kitchen and bathroom area from the open space; attached to the bathroom in the northeast  
33 corner, was a narrow and steep stairway to the second floor. [REDACTED] described the first floor as having a table  
34 and a bed almost immediately upon entry into the barn. [REDACTED] stated there were no walls on the second floor  
35 and items in that room included miscellaneous storage items and beds. I labeled the diagram as "barn." I  
36 secured [REDACTED] hand back behind his back with the handcuff and reengaged with Sgt. Musson.  
37

38 By this time, many officers' from various agencies had arrived on scene and were continuing to set perimeter  
39 locations. I met with Sgt. Musson, who was standing with Sgt. J. Braud, and provided him with the drawn  
40 diagrams. Moments later, Sheriff W. Honsal walked up to me and asked me to attempt to complete a  
41 "manpower list" of all officers on scene and their call signs.  
42

43 I gained as many names and call signs as possible despite the majority of the units having set perimeters. I then  
44 met Lt. K. Miller at the designated incident command post located at the [REDACTED] Coppini Lane.  
45 I continued to gather officer names, call signs, and departments as additional officers arrived on scene. I

SUPPLEMENT 22 - OIS SUPPLEMENTAL

1 provided the manpower list of approximately 40+ names to Lt. Miller. Lt. Miller requested I standby with him  
2 until the emergency communications van arrived.  
3  
4 While awaiting emergency communications, Lt. Miller asked that Officer Shumard and I transport (IP) [REDACTED]  
5 [REDACTED] and (IP) [REDACTED] to the staging area at the intersection of Coppini Lane and Grizzly Bluff Road.  
6 Officer Shumard and I transported [REDACTED] and [REDACTED] to the requested intersection and left them in the care of  
7 Deputy E. Morris. [Note: I am unaware of when [REDACTED] and the [REDACTED] were escorted to the command post  
8 location or by whom.]  
9  
10 Upon return to the command post, I observed an unknown officer transport (RP) [REDACTED]  
11 [REDACTED] from the Coppini residence to the command post. Lt. Miller requested I move [REDACTED] from the  
12 command post area to the staging area. I transported [REDACTED] to the staging area and left her in the care of  
13 Humboldt State University Police Department (HSU PD) Officer L. Altic.  
14  
15 I returned to the command post where Sheriff Honsal and Lt. Miller asked Officer Shumard and I move all patrol  
16 vehicles out of the narrow road between the command post location and the [REDACTED] residence. Once Officer  
17 Shumard and I concluded the moving of vehicles, I, again, returned to the command post where the emergency  
18 communications van had arrived. I provided the manpower list to Tactical Dispatcher [REDACTED] and returned  
19 to Lt. Miller.  
20  
21 An unknown amount of time later, Lt. Miller requested I double up with Eureka Police Department (EPD) Officer  
22 J. Eckert and respond to the intersection of Ambrosini Avenue and Rose Avenue as an additional outer perimeter  
23 unit. Approximately 10 minutes later, Officer Eckert and I heard, via radio transmission, the suspect had  
24 successfully been apprehended. We departed the area and returned to the command post.  
25  
26 While at the command post, Lt. Miller requested I meet Officer Altic at the staging area and transport [REDACTED] to  
27 the HCSO Main Office for interviewing by the detectives. I sat with [REDACTED] in the CID waiting room. The  
28 detectives and Deputy M. Tomlin escorted [REDACTED] into an interview room and I departed the area, thus ending  
29 my involvement at approximately 0802 hours.  
30  
31 End of Report.  
32

**SUPPLEMENT 23 - OIS SUPPLEMENTAL**

1 On 12/17/17, I was working uniformed patrol for the Humboldt County Sheriff's Office (HCSO). At approximately  
2 0648 hours, I was dispatched to St. Joseph Hospital (2700 Dolbeer Street, Eureka CA 95501) to stand by with (A)  
3 [REDACTED].  
4  
5 Upon my arrival, I contacted Deputy Crotty in the Emergency Department and observed [REDACTED] handcuffed to the  
6 gurney. I did not converse with [REDACTED] while at the hospital.  
7  
8 At approximately 0921 hours, I followed Deputy Crotty to the Humboldt County Correctional Facility where we  
9 attempted to book [REDACTED] into the facility. [REDACTED] was refused by medical staff due to the level of sedation and  
10 refusal to answer the medical questions.  
11  
12 At approximately 0946 hours, I followed Deputy Crotty back to St. Joseph Hospital where [REDACTED] received further  
13 medical treatment. I again had no conversation with [REDACTED]  
14  
15 At approximately 1118 hours, I followed Deputy Crotty to the HCCF where [REDACTED] was cleared by medical staff and  
16 booked.  
17  
18 Nothing further.

SUPPLEMENT 24 - FERNDAL E OIS SUPPLEMENTAL

1 On 12-17-2017, at approximately 0021 hours I was on duty for the Humboldt County Sheriff's Department. I was  
2 assigned to the Blue Lake area but was in McKinleyville when I heard Deputy Freixas broadcast "shots fired". I  
3 knew that she and Sgt. Musson had been conducting a welfare check at an address on Coppini Lane in Ferndale.  
4 Moments later Sgt. Musson broadcasted that Deputy Freixas had been hit and medical assistance was requested.  
5 He also requested that all available units respond.

6  
7 When I arrived on scene, I was directed by Sgt. Musson to take position at the front passenger door of the patrol  
8 car which was currently being used as the command post. That patrol car was located directly behind the front  
9 most patrol vehicle on Coppini Lane. I maintained that position for roughly one hour until I was relieved by a CHP  
10 officer whose name I did not obtain.

11  
12 After being relieved by the CHP officer I acted as a go-between for Sgt. J. Taylor and the units on the West  
13 perimeter, obtaining specific locations and call signs of each of those units. I wrote the previously mentioned  
14 information in my notebook and later ripped that page out and provided it to Sgt. J. Taylor. I do not recall which  
15 units were on the West perimeter. Shortly thereafter, I responded to the staging area to await further instruction.

16  
17 While at the staging area I heard radio traffic indicating officers on the West perimeter had located a subject  
18 walking through a field near their location. Lt. Miller instructed Deputy Del Biaggio, Ferndale PD Officer Shumard  
19 and myself to respond and assist in detaining that subject. When we arrived at their location we found that  
20 Deputies had the subject detained in handcuffs. Officer Shumard, Deputy Del Biaggio and I escorted the subject  
21 (who was a Hispanic male) to a patrol car and seated him inside pending further investigation. Officer Shumard,  
22 Deputy Del Biaggio and I stood by with the subject until he was transported from that location to be interviewed.  
23 Due to a language barrier I was unable to obtain any information, including his name, from the male. Officer  
24 Shumard, Deputy Del Biaggio and I then responded back to the staging area.

25  
26 Once at the staging area, Lt. Miller instructed me to respond to the intersection of Grizzly Bluff Road and Coppini  
27 Lane for scene security. I maintained that position until I was informed by Lt. Miller I was released. I cleared the  
28 scene at roughly 0745 hours.

29  
30 I had no further involvement in the investigation.

31  
32 Nothing further.

SUPPLEMENT 26 - SUPPLEMENTAL

1 On 12/17/2017, I was patrolling the southern Humboldt area. At approximately 0054 hours, Deputy Pryor and I were  
2 advised by Dispatch of an officer involved shooting at [REDACTED] Coppini Lane in Ferndale and directed us to respond.  
3  
4 I responded "Code 3" with my emergency lights and siren. Deputy Pryor and I arrived simultaneously at approximately  
5 0131 hours, and met with Sergeant Braud who assigned us and an unknown Arcata Police Officer to over watch on the  
6 West fence line of the West sides of both residences on the property. There was also a group of California Highway Patrol  
7 Officers stationed at the South West corner of the South residence.  
8  
9 While working our way into position we were advised by other units on scene they noticed motion inside the South  
10 residence through one of the West facing windows. I positioned myself with Deputy Pryor and the Arcata Officer with a  
11 view of the open West facing door of the North residence and the open West facing door of the South residence.  
12  
13 The three of us remained on over watch for an unknown amount of time. At approximately 0342 hours, I heard the  
14 electric ticking sound of the electric fence behind me to the West increase in frequency and volume. At the same time I  
15 also heard what sounded like heavy footsteps coming from the same location. I turned around, along with several other  
16 officers, and illuminated a Hispanic male adult walking towards the California Highway Patrol Officer at the South West  
17 corner of the South residence. The subject was walking down a dirt roadway, splitting the field in half, and continued in a  
18 West direction. Several commands to stop and show his hands were yelled, with the subject failing to comply. Commands  
19 were also given in Spanish, however the subject sat on the ground and refused to show his hands. The subject was  
20 detained in handcuffs and escorted back to the Command Post by other Officers. The subject's identity is unknown.  
21  
22 I briefly searched the West bound tractor road through the large open field which the man came in on. After not locating  
23 any other individuals, I returned to my original over watch position with Deputy Pryor and the Arcata Officer. At an  
24 unknown time I was relieved from my post by two agents of the SWAT team.  
25  
26 After the SWAT team had secured the residences, I was stationed to maintain security of the structures along with Sgt J  
27 Taylor, Deputy Esget and Deputy Del Biaggio, awaiting the arrival of detectives. At an unknown time in the early morning  
28 hours, another Hispanic male came walking towards us from a field to the East of the driveway. The subject was detained  
29 and escorted back to the Command Post. The subject was later placed in the rear of my marked patrol vehicle. The  
30 subject's identity is unknown.  
31  
32 When clear from the scene at approximately 0733 hours, I transported the subject to CID for further interview per the  
33 request of Sheriff's Office Detectives.  
34  
35 No further information.  
36

SUPPLEMENT 27 - OIS [REDACTED] COPPINI LANE

1 On 12/17/17 at about 0021 hours I was on duty for the Humboldt County Sheriff's Department. I was assigned to  
2 the Main Station Area in Eureka when I heard Deputy Freixas broadcast that shots had been fired. I was aware that she  
3 was with Sgt. Musson at a welfare check on Coppini Lane in Ferndale. I immediately responded to Coppini Lane code-3  
4 from 18<sup>th</sup> street and Circle Drive in Eureka. Moments later I heard Sgt. Musson broadcast that Deputy Freixas was hit and  
5 medical assistance was requested. He requested that all available units respond.  
6  
7 As I arrived on scene Sgt. Musson advised that a Ferndale PD officer had transported Deputy Freixas to Coppini Lane and  
8 Grizzly Bluff Rd. where medical personnel had staged. I also observed officers from other agencies were on scene and had  
9 established a perimeter. I took a position of cover on the front passenger side door behind the second patrol vehicle at the  
10 end of Coppini Lane. Deputy Cress's patrol vehicle was in front of my patrol vehicle and behind Deputy Freixas patrol  
11 vehicle which was behind the first patrol vehicle (Sgt. Musson's patrol vehicle) to arrive.  
12  
13 A short time later, I observed a white male adult standing near a window of the residence. I ordered the subject out of the  
14 residence with his hands up because at the time I was unsure of his involvement. I again ordered the subject to exit the  
15 residence with his hands up. The subject, later identified himself as [REDACTED] exited the residence with his hands up.  
16 Sgt. Musson and I moved forward to his patrol vehicle to detain the male subject. I told the male subject to turn around  
17 and place his hands behind his back. [REDACTED] complied. I handcuffed [REDACTED] checked for proper fit, and doubled locked the  
18 handcuffs. I checked [REDACTED] for weapons and then secured him in the back of one of the patrol vehicle.  
19  
20  
21 A short time later, Humboldt County Sheriff's Office SWAT team was activated and responded to the Command Post that  
22 was located at a residence south of the incident location. As an Operator of the SWAT team I responded to the Command  
23 Post and was briefed by SWAT Team Leader SGT. Braud. Throughout the remainder of the incident was instructed to  
24 maintain security of the Command Post.  
25  
26  
27 Nothing Further.

**SUPPLEMENT 28 - HH2 SUPPLEMENTAL**

1 On Tuesday, 04/03/2018, Deputy Freixas underwent a procedure at Saint Joseph Hospital (2700 Dolbeer St. in Eureka,  
2 CA.) to remove the pellet from her left shoulder. I responded to the hospital for the collection of said pellet. Just prior to the procedure  
3 I notified Deputy Freixas's Surgeon, [REDACTED] of my intentions to collect this piece of evidence and to preserve the chain of  
4 custody. [REDACTED] stated he understood.  
5

6 At about 1405 hours, [REDACTED] contacted me in the waiting area of the hospital and notified me the pellet had been  
7 successfully removed, and would be turned over to me shortly. At about 1413 hours, [REDACTED] from the hospital's operating  
8 room provided me with the pellet. I observed the pellet was in a clear plastic jar with a white screw top lid, sealed together by an  
9 unbroken white label. [REDACTED] then provided me with an evidence chain of custody form which we both signed and received a copy of.  
10 I later booked the pellet and evidence chain of custody form into evidence as Item#HH2.  
11

12 It should be noted upon reviewing my previous report, HH1 Supplemental (please refer to this report for further information),  
13 I observed I had mistakenly stated I visually observed and physically felt what appeared to be a foreign object to the back of Deputy  
14 Freixas's RIGHT shoulder just below the surface of her skin, when in fact this had been to the back of her LEFT shoulder, not right.  
15

16 Report for documentation purposes only. I request a copy of this report to be forwarded to the Humboldt County District  
17 Attorney's office for review.  
18

19 I have attached a copy of the evidence chain of custody form and the FileOnQ form to this report.  
20

21 End of report, nothing further.  
22  
23

SUPPLEMENT 29 - SCENE SCANNING

Page 1  
201706236

1 On December 17, 2017, at approximately 0530 hours, I was called at home by Detective Sergeant Freese and notified of this Officer  
2 Involved Shooting that occurred on Coppini Lane in Ferndale. She requested that I scan the scene with the department's Leica C10  
3 3D laser scanner (serial number 1261541).  
4

5 I first responded to the HCSO Main Station in Eureka where I met with Sergeant Freese in CID. She briefed me on the location, [REDACTED]  
6 Coppini Lane, and I collected the necessary equipment. I responded to the scene in the department's evidence truck and met with  
7 Deputies and Officers at the perimeter. I arrived at approximately 0630 hours. I was directed to the incident location, toward the  
8 north end of Coppini Lane. I drove toward that location, but parked my vehicle south of the two HCSO patrol cars that had been  
9 driven there by the involved Deputies.  
10

11 Due to the level of darkness when I arrived, I opted to wait until the sun came up to begin scanning, as I had chosen to utilize the  
12 imaging function of the scanner. I began the scanning process at approximately 0720 hours. I scanned throughout the day and  
13 concluded scanning at approximately 1400 hours. It should be noted that during this time, Investigators from DOJ were on scene,  
14 and we were working in concert with each other; one agency attempting to facilitate the needs of the other.  
15

16 I conducted scanning from eleven locations throughout the scene. I placed a 4.0 foot long scanning artifact on the hood of my vehicle  
17 and captured that artifact in Scanworld 1. Scanworlds 7, 8 and 9 were located inside the building where the suspect was located.  
18 The remainder of the Scanworlds were located in the vicinity surrounding the exterior of that building. The locations for the  
19 Scanworlds were determined to best suit the conditions of the scene at that time. A sitemap was ultimately created to show the  
20 locations of the Scanworlds.  
21

22 I left the scene shortly after 1400 hours.  
23

24 In the days following, in CID at the HCSO Main Station, I downloaded the raw data, relative to this investigation, from the Leica  
25 scanner onto a thumb drive. That thumb drive was ultimately booked into evidence at the department. I later used a copy of that raw  
26 data to construct a three dimensional model of the scene. I used the Cyclone software, provided by Leica, to clean and register the  
27 scans together. During this process, I also removed the surrounding areas that were uninvolved in this incident, so that the model  
28 shows just the area pertinent to this investigation.  
29

30 Using the Cyclone software, I completed a three dimensional Model Space view as well as a TruView model. It should be noted that  
31 primarily due to the sheer volume of crime scene photographs, the TruView model did not contain any crime scene photographs.  
32 That TruView was copied to a DVD and booked into evidence at the department. A second copy was provided to Detective Hicks, at  
33 the HCSO.  
34

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA  
IN AND FOR THE COUNTY OF HUMBOLDT

Name [REDACTED]

DOB [REDACTED]

Description [REDACTED]

Case No. 201706236

STATEMENT OF PROBABLE CAUSE FOR  
ARRESTS MADE WITHOUT A WARRANT  
AND ARRESTEE IS BOOKED INTO JAIL

My name is mark Peterson. I am a peace officer employed by the Humboldt  
County Sher: P's Department. On the date of 12/17/17 at 0400 (time  
of arrest) I arrested without a warrant the individual described above for the following violation(s) if law:  
PC 664/187, PC 236

I believe that there existed probable cause for the said arrest without a warrant. Facts of which I was aware  
at the time I placed the arrestee under arrest and which I believe provided probable cause for said arrest  
include: On 12/17/17 at about 0022 hrs HCSO deputies were dispatched  
to [REDACTED] Cappini Ln, Ferndale. Upon arrival deputies found [REDACTED]  
in the house pointing a shotgun at them. [REDACTED] fired the shotgun at the  
deputies and the deputies shot back. 1 deputy was hit by the shotgun. [REDACTED]  
received numerous gunshot wounds. He was arrested and taken to hospital.  
Post miranda [REDACTED] admitted he knew the police were telling him to drop his gun.  
[REDACTED] admitted to shooting at the police. [REDACTED] admitted to shooting at another man.\*

I declare the foregoing to be true under penalty of perjury, dated this 17th day of  
December, 2017. \*prior to law enforcement being called. [REDACTED] admitted to  
holding a woman captive in the home until the police  
arrived.

201706236

826 4TH ST EUREKA, CA 95501 707-445-7251  
SUPPLEMENT 23 - OIS SUPPLEMENTAL

1 On 12/17/17, I was working uniformed patrol for the Humboldt County Sheriff's Office (HCSO). At approximately  
2 0648 hours, I was dispatched to St. Joseph Hospital (2700 Dolbeer Street, Eureka CA 95501) to stand by with (A)

3 [REDACTED]

4  
5 Upon my arrival, I contacted Deputy Crotty in the Emergency Department and observed [REDACTED] handcuffed to the  
6 gurney. I did not converse with [REDACTED] while at the hospital.

7  
8 At approximately 0921 hours, I followed Deputy Crotty to the Humboldt County Correctional Facility where we  
9 attempted to book [REDACTED] into the facility. [REDACTED] was refused by medical staff due to the level of sedation and  
10 refusal to answer the medical questions.

11  
12 At approximately 0946 hours, I followed Deputy Crotty back to St. Joseph Hospital where [REDACTED] received further  
13 medical treatment. I again had no conversation with [REDACTED]

14  
15 At approximately 1118 hours, I followed Deputy Crotty to the HCCF where [REDACTED] was cleared by medical staff and  
16 booked.

17  
18 Nothing further.

Re: Report of Firearm Ownership Approval

[REDACTED]

This letter acknowledges the California Department of Justice (the Department), Bureau of Firearms has received your firearm application. Accordingly, the following firearm(s) has been recorded in your name in the Department's Automated Firearms System:

<u>Serial Number</u>	<u>Make</u>	<u>Model</u>	<u>Caliber</u>
[REDACTED]	SAV	110E	243

Should you decide to transfer ownership of any firearm in the future, Penal Code sections 27545 and 28050 et seq. requires that all firearm private party transfers be conducted through a licensed California firearms dealer, as defined in Penal Code sections 26700 through 26915.

If you have any questions, please contact the Bureau of Firearms at (916) 227-7527.

Re: Law Enforcement Gun Release - Firearm(s) Eligibility Clearance

[REDACTED]

This letter acknowledges that the California Department of Justice (the Department), Bureau of Firearms (the Bureau) has received your Law Enforcement Gun Release (LEGR) Application (BOF 119) and determined that, as of the date of this letter, you **are eligible** to possess a firearm.

State law requires the Department to conduct a firearms eligibility check on anyone who claims title to a firearm in the custody or control of a court, or law enforcement agency (LEA) and who wishes to have that firearm returned to him or her, in order to determine whether that person is eligible under state and federal law to possess firearms. (Pen. Code, § 33850.)

This letter **does not** establish or constitute ownership of any of the following firearm(s), which you are attempting to redeem from the custody of a court or LEA:

<u>Serial Number</u>	<u>Make</u>	<u>Model</u>	<u>Caliber</u>
[REDACTED]	SAV	110E	243

It is your responsibility to prove you own or have a right to possess any firearm in the custody of a court or LEA that you wish to have returned to you. A court or LEA with direct access to the Department's Automated Firearms System (AFS) is required to check AFS to determine whether the person seeking return of a firearm is listed as the owner/purchaser of the firearm(s) sought to be redeemed pursuant to Penal Code section 33855, subdivisions (a) and (b). At the time of this eligibility check, the Department reviewed AFS and determined the following:

- This firearm is **recorded** in AFS and the firearm is recorded in the name of the individual who is seeking its return.
- This firearm is recorded in AFS, but **is not recorded** as being owned by, or loaned to the individual who is seeking its return.
- There is **no record** of this firearm in AFS.

A firearm can only be returned to the person who is listed in AFS as the owner/possessor of the firearm, and not to any other person. (Pen. Code, § 33855, subs. (a) & (b).) However, a court or LEA may return such firearm to a person who demonstrates that the firearm was transferred to him or her in a manner that was lawful, but was not required pursuant to Penal Code sections 28150 through 28180 to be recorded in the Department's records. The court or LEA will only release the firearm(s) in question after it has determined the firearm(s) is not reported lost or stolen, and is no longer needed for official court or law enforcement purposes.

A court or LEA is not required to retain a firearm for more than 180 days after notifying the owner of the firearm that the firearm is available for return. Therefore, if no claim for a firearm is made by its owner within 180 days of notification, the court or LEA may dispose of the firearm.

This LEGR firearms eligibility clearance is valid for 30 days from the date of this letter. After 30 days, the approval expires and cannot be used to claim a firearm. Accordingly, you must attempt to redeem your firearm(s) within 30 days of the date of this letter, or submit a new LEGR application and required fee to the Department in order to obtain an updated LEGR approval.

Re: Report of Firearm Ownership Approval

[REDACTED]

This letter acknowledges the California Department of Justice (the Department), Bureau of Firearms has received your firearm application. Accordingly, the following firearm(s) has been recorded in your name in the Department's Automated Firearms System:

<u>Serial Number</u>	<u>Make</u>	<u>Model</u>	<u>Caliber</u>
[REDACTED]	SR	10/22	22

Should you decide to transfer ownership of any firearm in the future, Penal Code sections 27545 and 28050 et seq. requires that all firearm private party transfers be conducted through a licensed California firearms dealer, as defined in Penal Code sections 26700 through 26915.

If you have any questions, please contact the Bureau of Firearms at (916) 227-7527.

Re: Law Enforcement Gun Release - Firearm(s) Eligibility Clearance  
██████████

This letter acknowledges that the California Department of Justice (the Department), Bureau of Firearms (the Bureau) has received your Law Enforcement Gun Release (LEGR) Application (BOF 119) and determined that, as of the date of this letter, you **are eligible** to possess a firearm.

State law requires the Department to conduct a firearms eligibility check on anyone who claims title to a firearm in the custody or control of a court, or law enforcement agency (LEA) and who wishes to have that firearm returned to him or her, in order to determine whether that person is eligible under state and federal law to possess firearms. (Pen. Code, § 33850.)

This letter **does not** establish or constitute ownership of any of the following firearm(s), which you are attempting to redeem from the custody of a court or LEA:

<u>Serial Number</u>	<u>Make</u>	<u>Model</u>	<u>Caliber</u>
██████████	SR	10/22	22

It is your responsibility to prove you own or have a right to possess any firearm in the custody of a court or LEA that you wish to have returned to you. A court or LEA with direct access to the Department's Automated Firearms System (AFS) is required to check AFS to determine whether the person seeking return of a firearm is listed as the owner/purchaser of the firearm(s) sought to be redeemed pursuant to Penal Code section 33855, subdivisions (a) and (b). At the time of this eligibility check, the Department reviewed AFS and determined the following:

- This firearm is **recorded** in AFS and the firearm is recorded in the name of the individual who is seeking its return.
- This firearm is recorded in AFS, but is **not recorded** as being owned by, or loaned to the individual who is seeking its return.
- There is **no record** of this firearm in AFS.

A firearm can only be returned to the person who is listed in AFS as the owner/possessor of the firearm, and not to any other person. (Pen. Code, § 33855, subs. (a) & (b).) However, a court or LEA may return such firearm to a person who demonstrates that the firearm was transferred to him or her in a manner that was lawful, but was not required pursuant to Penal Code sections 28150 through 28180 to be recorded in the Department's records. The court or LEA will only release the firearm(s) in question after it has determined the firearm(s) is not reported lost or stolen, and is no longer needed for official court or law enforcement purposes.

A court or LEA is not required to retain a firearm for more than 180 days after notifying the owner of the firearm that the firearm is available for return. Therefore, if no claim for a firearm is made by its owner within 180 days of notification, the court or LEA may dispose of the firearm.

This LEGR firearms eligibility clearance is valid for 30 days from the date of this letter. After 30 days, the approval expires and cannot be used to claim a firearm. Accordingly, you must attempt to redeem your firearm(s) within 30 days of the date of this letter, or submit a new LEGR application and required fee to the Department in order to obtain an updated LEGR approval.

Re: Law Enforcement Gun Release - Firearm(s) Eligibility Clearance

██████████

This letter acknowledges that the California Department of Justice (the Department), Bureau of Firearms (the Bureau) has received your Law Enforcement Gun Release (LEGR) Application (BOF 119) and determined that, as of the date of this letter, you **are eligible** to possess a firearm.

State law requires the Department to conduct a firearms eligibility check on anyone who claims title to a firearm in the custody or control of a court, or law enforcement agency (LEA) and who wishes to have that firearm returned to him or her, in order to determine whether that person is eligible under state and federal law to possess firearms. (Pen. Code, § 33850.)

This letter **does not** establish or constitute ownership of any of the following firearm(s), which you are attempting to redeem from the custody of a court or LEA:

<u>Serial Number</u>	<u>Make</u>	<u>Model</u>	<u>Caliber</u>
██████████	ITH	37 FEATHERLIGHT	16

It is your responsibility to prove you own or have a right to possess any firearm in the custody of a court or LEA that you wish to have returned to you. A court or LEA with direct access to the Department's Automated Firearms System (AFS) is required to check AFS to determine whether the person seeking return of a firearm is listed as the owner/purchaser of the firearm(s) sought to be redeemed pursuant to Penal Code section 33855, subdivisions (a) and (b). At the time of this eligibility check, the Department reviewed AFS and determined the following:

- This firearm is **recorded** in AFS and the firearm is recorded in the name of the individual who is seeking its return.
- This firearm is recorded in AFS, but is **not recorded** as being owned by, or loaned to the individual who is seeking its return.
- There is **no record** of this firearm in AFS.

A firearm can only be returned to the person who is listed in AFS as the owner/possessor of the firearm, and not to any other person. (Pen. Code, § 33855, subs. (a) & (b).) However, a court or LEA may return such firearm to a person who demonstrates that the firearm was transferred to him or her in a manner that was lawful, but was not required pursuant to Penal Code sections 28150 through 28180 to be recorded in the Department's records. The court or LEA will only release the firearm(s) in question after it has determined the firearm(s) is not reported lost or stolen, and is no longer needed for official court or law enforcement purposes.

A court or LEA is not required to retain a firearm for more than 180 days after notifying the owner of the firearm that the firearm is available for return. Therefore, if no claim for a firearm is made by its owner within 180 days of notification, the court or LEA may dispose of the firearm.

This LEGR firearms eligibility clearance is valid for 30 days from the date of this letter. After 30 days, the approval expires and cannot be used to claim a firearm. Accordingly, you must attempt to redeem your firearm(s) within 30 days of the date of this letter, or submit a new LEGR application and required fee to the Department in order to obtain an updated LEGR approval.

*I, the undersigned, declare under penalty of perjury: (1) I am employed by the State of California, Department of Justice (DOJ), Bureau of Forensic Services; (2) I conducted an examination of the material described below in the ordinary course of my work as a qualified examiner, according to approved laboratory procedures that include creation of contemporaneous documentation and the technical review of my work; (3) The observable data is set forth in the associated laboratory case record; (4) Any opinions, interpretations, or conclusions in this report are based upon data in the associated laboratory case record and findings listed below.*

*Note: This laboratory report has been prepared and retained by DOJ in the normal course of business according to DOJ's regular practices and procedures. The Department of Justice Laboratory is accredited by the American Society of Crime Laboratory Directors / Laboratory Accreditation Board (ASCLD/LAB).*

SUMMARY:

The items 151252 and 151261 Glock pistols were both determined to be functional and both were successfully test fired.

EVIDENCE:

The following evidence was resubmitted to the BFS Eureka Laboratory on July 5, 2019:

- Item 151252: Glock model 22 pistol, serial number [REDACTED]
- Item 151253: Glock pistol magazine and four intact cartridges
- Item 151261: Glock model 22 pistol, serial number [REDACTED]
- Item 151262: Glock pistol magazine and eight intact cartridges
- Item 151263: Glock pistol magazine and sixteen intact cartridges

The following evidence was generated during examination of the firearms listed above on July 18, 2019:

- Item 151252t: Three cartridge cases test fired in item 151252
- Item 151261t: Three cartridge cases test fired in item 151261

EXAMINATION:

Item 151252 is a Glock model 22 pistol and an attached flashlight. The pistol was marked with serial number [REDACTED] and was chambered for the 40 S&W (40 Smith and Wesson) cartridge. The pistol was packaged without a magazine or ammunition. The item 151252 pistol was determined to be functional and was successfully test fired three times using a laboratory supplied pistol magazine and laboratory supplied ammunition. Cartridge cases test fired in the item 151252 pistol were recovered and retained as item 151252t; bullets test fired from the pistol were not recovered.

Item 151261 is a Glock model 22 pistol and an attached flashlight. The pistol was marked with serial number [REDACTED] and was chambered for the 40 S&W cartridge. The pistol was packaged without a magazine or ammunition. The item 151261 pistol was determined to be functional and was successfully test fired three times using a laboratory supplied pistol magazine and laboratory supplied ammunition. Cartridge cases test fired in the item 151261 pistol were recovered and retained as item 151261t; bullets test fired from the pistol were not recovered.

Item 151253 consisted of a pistol magazine and four intact cartridges. Item 151262 consisted of a pistol magazine and eight intact cartridges. Item 151263 consisted of a pistol magazine and sixteen intact cartridges. Each of the cartridges was identified as a 40 S&W cartridge constructed with a JHP (jacketed hollow-point) bullet set in a "R-P" "40S&W" head stamped cartridge case. All three magazines were identified as Glock pistol magazines having a nominal capacity of fifteen 40 S&W cartridges; however, each of the magazines was capable of accepting sixteen cartridges. The magazines and ammunition associated with items 151253, 151262, and 151263 are suitable for use in the items 151252 and 151261 pistols.

DISPOSITION:

The evidence will be transferred to your agency in the normal course of business.

BLOOD TEST REQUEST BY PEACE OFFICER

The undersigned, a duly authorized peace officer of (name of law enforcement agency) R. BISE Eureka Police Department / OIS 1120, hereby requests that a blood sample be obtained from (name of person being tested) [REDACTED]

I certify that I have probable cause to believe that the sample obtained will provide evidence that the person being tested was driving a motor vehicle in violation of Vehicle Code Section 23140, 23152 or 23153.

Date: 12/17/17 Time: 0640 AM PM

## PHYSICAL EVIDENCE EXAMINATION REPORT

### Forensic Alcohol Analysis

TO : DOJ Alcohol Report Recipient Humboldt County Sheriff's Office, Eureka	BFS Case Number: EU-17-001328-0004
CASE NUMBER: 201706236	Subject: [REDACTED]
RECEIVED: 8/31/2021	License Number: None Listed
ITEM NUMBER: 048_01	Offense Date: 12/17/2017
	Start of Testing: 9/1/2021
	End of Testing: 9/2/2021
	Report Date: 9/2/2021
	Testing Method: TP-14

ANAB Certificate FT-0334

### SUMMARY

The blood sample (Item 048\_01) of the above listed individual was analyzed on 09/01/21 and contained 0.000% (W/V) alcohol.

The evidence submission envelope and blood tube label list the subject's last name as [REDACTED]

The sample will be held at the Eureka Laboratory pending communication from the Humboldt County District Attorney's Office regarding which toxicology laboratory the sample will be forwarded to.

### DISPOSITION

When the result of the alcohol analysis is less than 0.090%, the case evidence will be forwarded to the BFS Toxicology Laboratory, unless otherwise directed by the submitting law enforcement agency. BFS will retain all felony case evidence for a minimum of one year after which it will be returned to the submitting agency. All misdemeanor case evidence will be retained by BFS for a minimum of 12 months after which it will be destroyed, unless BFS receives written notification from the agency to return the case evidence.

Senior Criminalist

The signatory analyst declares under penalty of perjury: (1) I am employed by the State of California, Department of Justice (DOJ), Bureau of Forensic Services (BFS); (2) I am qualified to engage in forensic alcohol analysis pursuant to section 1216.1 of Title 17 of the California Code of Regulations; I conducted an examination of the material described above in the ordinary course of my work according to approved laboratory procedures; (3) The recording of the analytical results was done at the time the analysis was performed and included creation of contemporaneous documentation; (4) Any opinions, interpretations, or conclusions in this report are based upon data in the associated laboratory case record.  
Note: All results relate only to the items that were tested and apply to the items as they were received, except when otherwise indicated. This laboratory report has been prepared and retained by DOJ in the normal course of business according to DOJ's regular practices and procedures. The Department of Justice is accredited by the ANSI National Accreditation Board (ANAB) in the testing activities provided unless otherwise noted.

This report shall not be reproduced, except in full, without written approval from the laboratory.

1 **ASSIGNMENT:**

2 On Sunday, 12/17/2017 at about 0200 hours, I was called at my residence by Humboldt County Sheriff's  
3 Office (HCSO) Sergeant Freese. Sergeant Freese stated there had been an officer involved incident, and she  
4 had activated the Critical Incident Response Team (CIRT). Sergeant Freese requested I respond to the office  
5 and meet her there. Please refer to HCSO report 201706236 for further details.

6 I responded to the office at about 0300 hours and met with several members of CIRT. During briefing,  
7 Sergeant Freese assigned me to assist Eureka Police Department Detective Harpham in processing several  
8 items of evidence. Prior to my arrival, Investigator Hicks had been assisting Detective Harpham by  
9 photographing and packaging the evidence. I then took over for Investigator Hicks and assisted Detective  
10 Harpham by photographing and packaging the articles of evidence (please refer to Detective Harpham's  
11 supplemental for further information).

12 This evidence was later secured in HCSO Evidence Technician [REDACTED] locked office. I also placed several  
13 items of evidence that were bloody in the HCSO drying room to dry. Evidence Technician [REDACTED] later  
14 booked these items into evidence (please refer to Evidence Technician [REDACTED] supplemental for further  
15 information).

16 I later sat in on an interview between Arcata Police Department Sergeant Ortega and [REDACTED] As  
17 their conversation was in Spanish, I was unable to translate what was being said (please refer to Sergeant  
18 Ortega's report for further information).

19 **DEPUTY FREIXAS HEALTH FOLLOW-UP:**

44  
45

46 **CONCLUSIONS AND RECOMMENDATIONS:**

47 I request a copy of this report to be forwarded to the Humboldt County district Attorney's Office. Any  
48 additional information will be provided in the form of a supplemental report.

49 I have attached the FileOnQ evidence report to this report.

50 End of report, nothing further.

1 **ASSIGNMENT:**

2 The weekend of December 15, 2017, I was the on-call investigator for the Humboldt County Sheriff's office  
3 Criminal Investigations Division.

4 On Sunday December 17, 2017 at about 0153 hours, I received a telephone call from Sergeant Freese. She  
5 advised me that there had been an officer involved shooting in the Ferndale area. Sergeant Freese advised  
6 that two Sheriff's Deputies were involved. She said Deputy Freixas had been shot and had discharged her  
7 firearm and another Deputy had discharged their firearm. Sergeant Freese had not been provided the  
8 name of the other Deputy.

9 I responded to the office and prepared for the Critical Incident Response Team (CIRT) operation. The  
10 following is a list of CIRT personnel and assignments they had.

- 11 Humboldt County Sheriff's investigator Scott Hicks – Lead Investigator
- 12 Humboldt County District Attorney's Investigator Gary Cooper – Co-Lead Investigator
- 13 Eureka Police Senior Detective John Gordon – witness interviews
- 14 Eureka Police Senior Detective Ron Harpham – processing of officers
- 15 Humboldt County Sheriff's Office Investigator Mark Peterson- suspect interview
- 16 Eureka Police Detective Rick Bise- processing suspect and suspect interview
- 17 Arcata Police Lieutenant Todd Dokweiler-witness interviews
- 18 Humboldt County Sheriff's Sergeant Diana freeze – supervisor
- 19 Humboldt County Sheriff's Detective Hillary Havens – evidence
- 20 California Department of Justice Criminalist [REDACTED] evidence
- 21 California Department of Justice Criminalist [REDACTED] Deputy Freixasfeld – evidence
- 22 Arcata Police Sergeant Chris Ortega-interviews of persons speaking Spanish

23 Humboldt County district attorney's investigator Marvin Kirkpatrick was later assigned to assist with the  
24 officer interviews that were conducted on Tuesday, December 12, 2017.

25 **INITIAL INFORMATION:**

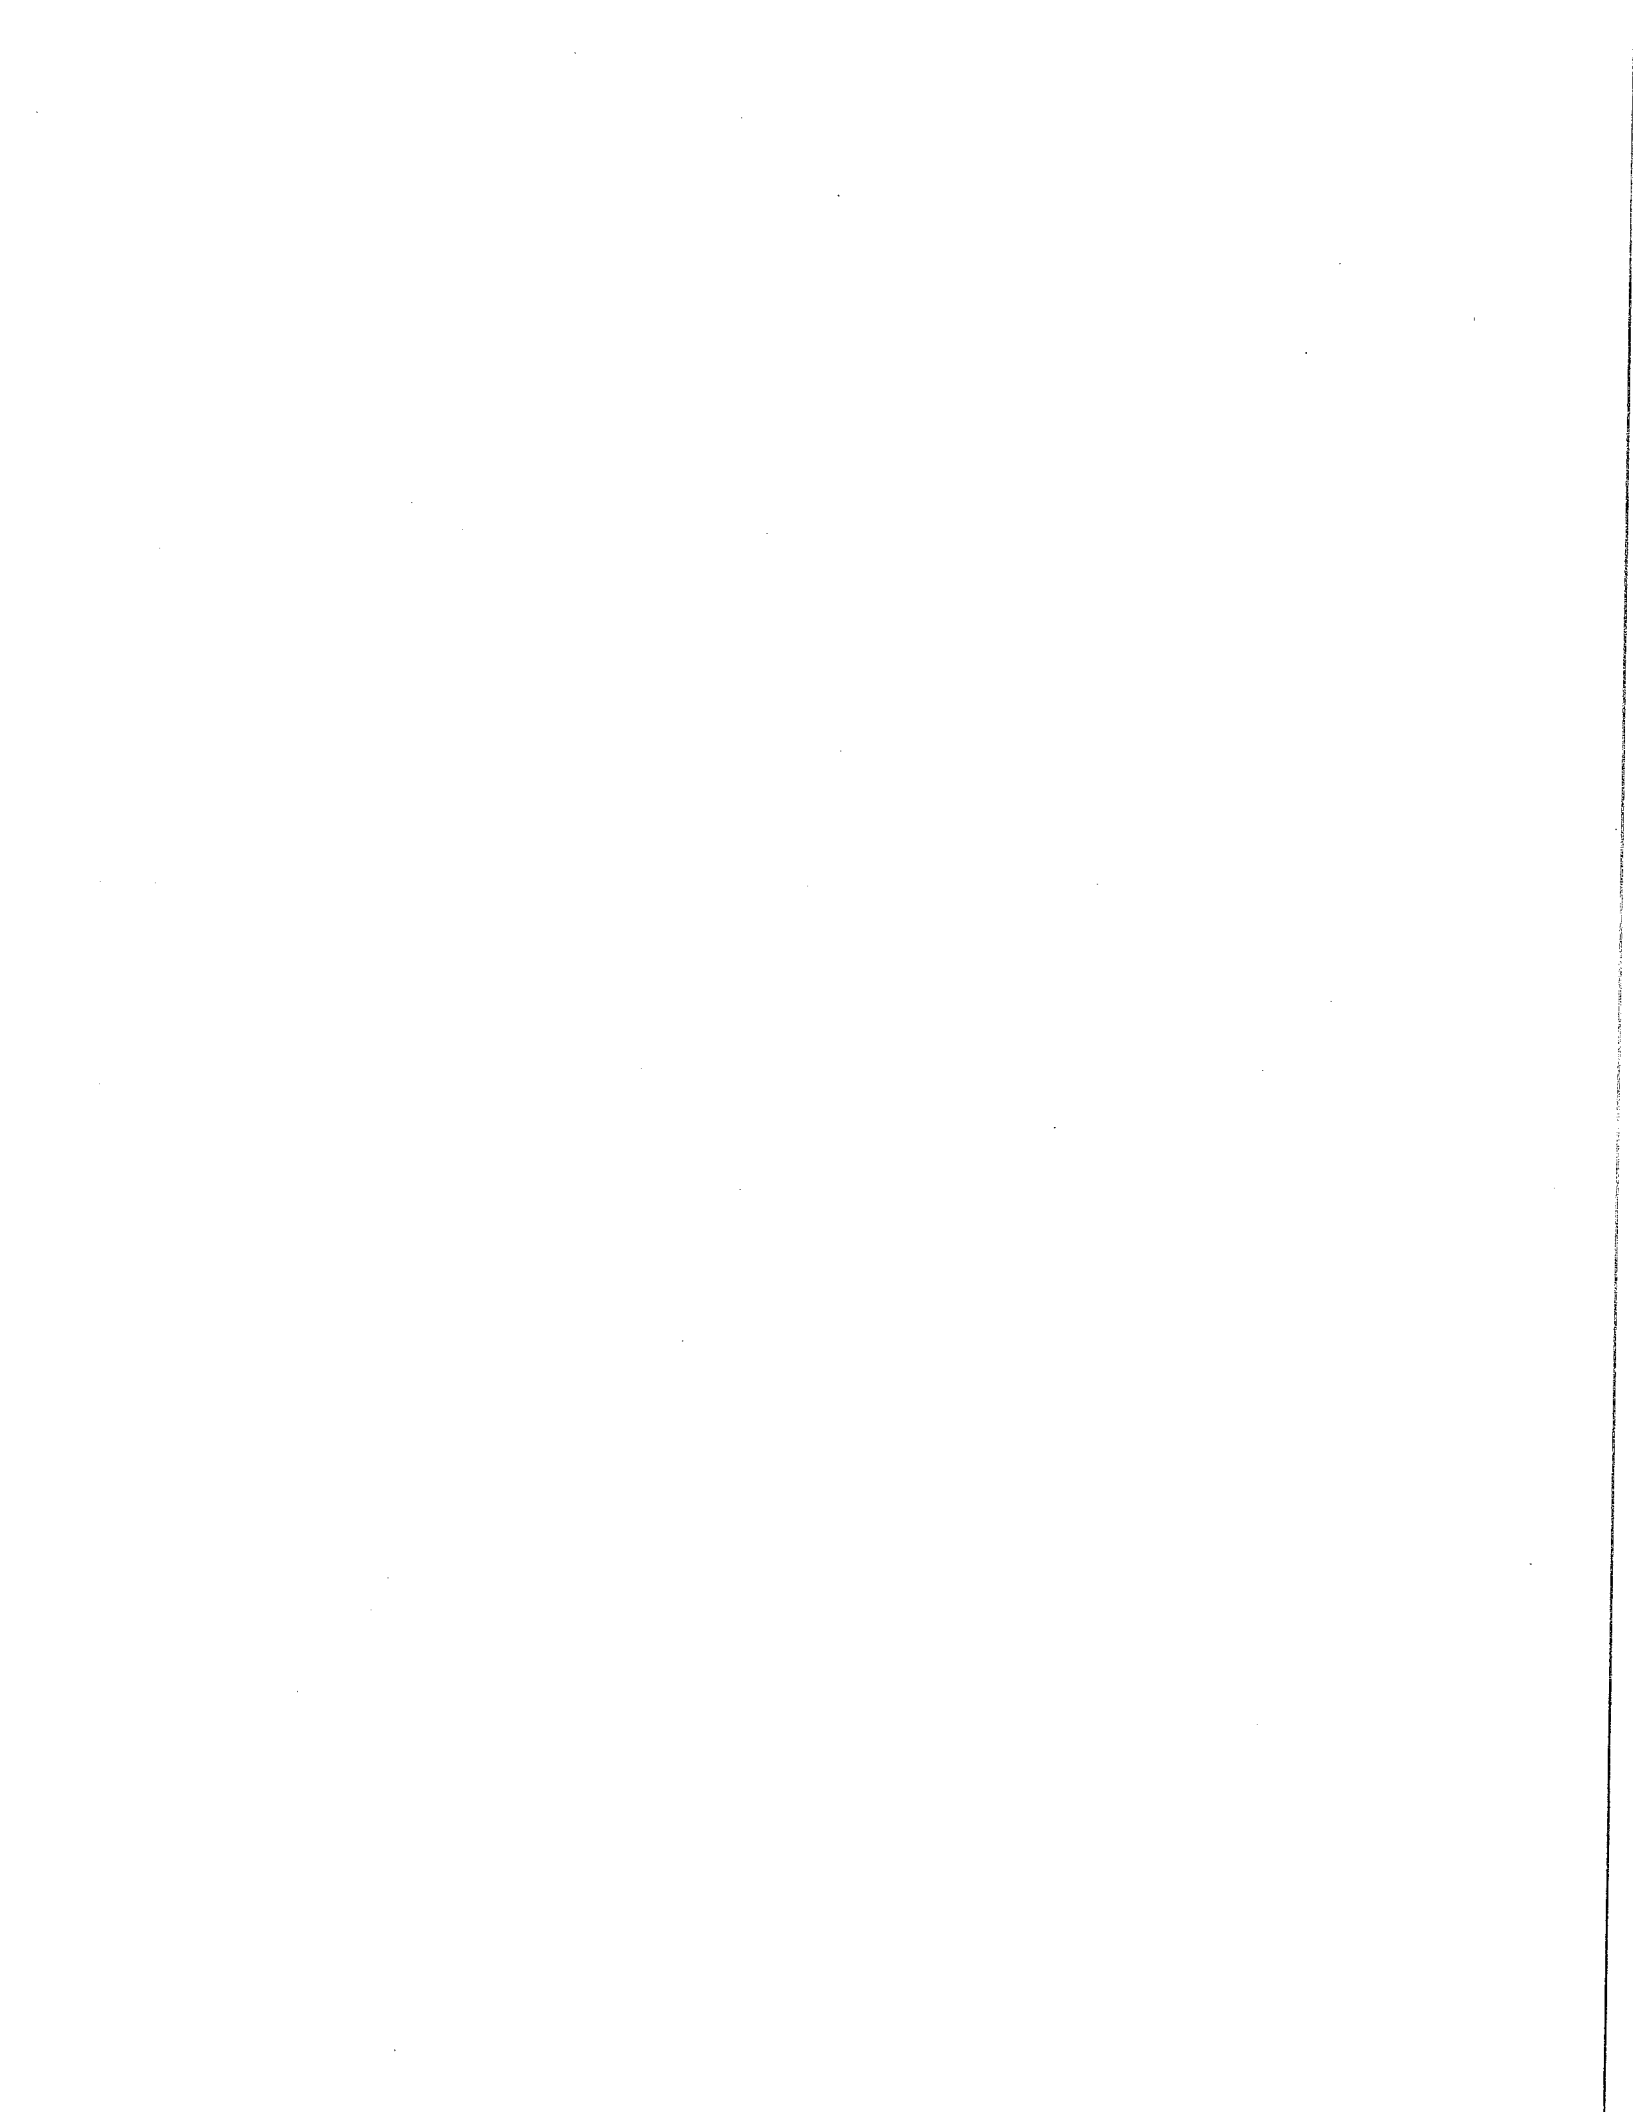

26 I accessed the Computer Aided Dispatch (CAD) and read the details of Call for Service (CFS) 121717-5. The  
27 CFS indicated that a prior CFS had been closed in error. I located CFS 121717-3 and read it. The details of  
28 the initial call were:

29 **CFS:121717-3**

- 30 [00:03:11 lesh] LAST DAIRY ON [REDACTED]
- 31 [00:03:21 lesh] GUY HOLDING ONTO ANOTHER GUY, WHO WON'T LET GO?
- 32 [00:04:13 lesh] RP'S HUSBAND [REDACTED] CALLED HER AND YELLED AT HER TO CALL THE SHERIFFS  
33 OFFICE
- 34 [00:04:25 lesh] RP IS UNCERTAIN AS IT WAS A BAD PHONE CONNECTION AND "NO ONE SPEAKS  
35 ENGLISH"
- 36 [00:04:30 lesh] REQ WELFARE CHECK

37 **CFS:121717-5**

- 38 [00:22:25 nfalconer1] PREV CFS CLOSED IN ERROR
- 39 [00:22:38 nfalconer1] LAST DAIRY ON [REDACTED]

1 On December 17, 2017 at about 0229 hours, I was called out by Humboldt County Sheriff's Office Sgt. Freese.  
2 Sgt. Freese told me there had been an officer involved shooting in the Ferndale area of Humboldt County. I  
3 responded to the HCSO Criminal Investigations Division (CID) and arrived at about 0430 hours. Sgt. Freese had  
4 activated the Humboldt County Critical Incident Response Team (CIRT). Several officers from various Humboldt  
5 County law enforcement agencies were present at HCSO CID upon my arrival. I was briefed on the known  
6 information. I was briefed by multiple subjects and I do not know the origin of the information. The information  
7 given to me included the following:

8  
9 At some point prior to 0229 hours on December 17, 2017, HCSO Sgt. Musson and Deputy Freixas were  
10 dispatched to a farm type property in the Ferndale area. Upon arrival they went to a living structure at the  
11 property. A female came out of the house and said there was a man with a gun in the house. The deputies  
12 were shot at by the man and the deputies shot back. Deputy Freixas was hit in the shoulder by gunfire. The  
13 female that came out of the house was identified as [REDACTED] Other responding law enforcement  
14 officers learned the man who shot at Sgt. Musson and Deputy Freixas was [REDACTED] [REDACTED] had also shot at  
15 [REDACTED] and her boyfriend prior to law enforcement arriving on scene. [REDACTED] boyfriend was [REDACTED]  
16 (unknown last name) with an AKA of [REDACTED] [REDACTED] brother had been identified as [REDACTED] (unknown last name).  
17 Officers on scene had apprehended [REDACTED] and he was being transported to St. Joseph's Hospital in Eureka.

18  
19 Eureka Police Department (EPD) Detective Bise and I were assigned to go to St. Joseph's Hospital. Detective Bise  
20 was to collect any evidence and I was to attempt to obtain a statement from [REDACTED]. I was advised [REDACTED] did not  
21 speak English. I was told an EPD officer who spoke Spanish would meet us at the hospital to translate.

22  
23 Detective Bise and I responded to the hospital and arrived at about 0538 hours. I located [REDACTED] in the  
24 Emergency Room. HCSO Deputies Crotty and E. Morris were standing by with [REDACTED] in the ER. I was advised by  
25 hospital staff that [REDACTED] needed to leave the ER for a scan. Detective Bise and I stood by until [REDACTED] returned.  
26 EPD Officer Aello arrived at the ER and told me he spoke Spanish and would translate for me.

27  
28 I spoke with Sgt. Freese who told me HCSO Investigator Hicks had prepared a search warrant authorizing the  
29 collection of a blood sample from [REDACTED] - date of birth 11/08/1987. Sgt. Freese faxed a copy of the  
30 search warrant to the ER. Detective Bise collected [REDACTED] clothing as evidence.

31  
32 [REDACTED] was returned to the ER. I saw he was conscious and talking. Detective Bise took photos of [REDACTED] and of his  
33 apparent injuries. I saw [REDACTED] had injuries to his right chest and left leg. The injuries appeared consistent with  
34 gunshot wounds.

35  
36 At about 0614 hours, I approached [REDACTED] and began speaking with him. While speaking with [REDACTED] only EPD  
37 Officer Aello and I were in the room. Detective Bise, Deputy Crotty, and Deputy Morris waited in the hallway  
38 area outside the room while we spoke. I recorded our conversation on a digital audio recorder. The length of  
39 the recording is 41:59. I do not speak Spanish. I did not understand what EPD Officer Aello and [REDACTED]  
40 said to one another. The following is a summary of our conversation and what Officer Aello told me [REDACTED] said:

41  
42 I told [REDACTED] he was under arrest for assault with a deadly weapon. I told him the investigation was continuing  
43 and I would like to hear his side of the story. I asked [REDACTED] if he was willing to give me a statement, and he said  
44 yes. Officer Aello read [REDACTED] his Miranda rights in Spanish. I saw Officer Aello read the rights off a card. Officer  
45 Aello told me [REDACTED] wanted to give a statement.

46  
47 [REDACTED] affirmed he was [REDACTED] – DOB [REDACTED]. [REDACTED] has lived in Ferndale for about 4 to 5 months.  
48 [REDACTED] said he lived in Ferndale with [REDACTED] his brother, and [REDACTED]. [REDACTED] had the nickname  
49 of [REDACTED]. [REDACTED] had a relative named [REDACTED] but that was not [REDACTED] (I will refer to [REDACTED] as [REDACTED] for the  
50 purposes of this report to avoid confusion). [REDACTED] girlfriend also lived at the house. Her name was [REDACTED]

51  
52 At one point I asked if [REDACTED] was [REDACTED] girlfriend. [REDACTED] nodded yes before Officer Aello translated. I asked  
53 [REDACTED] if he spoke English. Through translation [REDACTED] said he understood a little English.

54  
55 [REDACTED] believed [REDACTED] killed his brother, [REDACTED], about 3 or 4 months prior. [REDACTED] left and  
56 [REDACTED] has not seen him since. No police report was made. [REDACTED] did not know why [REDACTED] would kill his brother  
57 and [REDACTED] has never had any problems with [REDACTED]. [REDACTED] confronted [REDACTED] about his brother and demanded an  
58 explanation. [REDACTED] told [REDACTED] his brother was dead, and his whole family was going to be dead. [REDACTED] was upset.

59

60 [REDACTED] obtained a shotgun that was in his house. [REDACTED] found the shotgun on his brother, [REDACTED] bed. [REDACTED]  
61 said his bed was next to [REDACTED]. [REDACTED] did not know if the gun was [REDACTED] and he did not know where the  
62 gun came from.

63  
64 [REDACTED] went upstairs, to [REDACTED] and [REDACTED] bedroom. He shot one time in the direction of [REDACTED] and [REDACTED]  
65 with the shotgun. [REDACTED] and [REDACTED] were standing next to each other when [REDACTED] shot at them. [REDACTED] did not  
66 think he hit them. [REDACTED] fled out of the house through a window. [REDACTED] did not see [REDACTED] again, but could hear  
67 him outside of the house. [REDACTED] stayed in the house. [REDACTED] told [REDACTED] she could not leave. [REDACTED] told her  
68 to call [REDACTED] and tell him to come back in the house. [REDACTED] said [REDACTED] was scared, so she did not leave the  
69 house. [REDACTED] said [REDACTED] was afraid he was going to shoot her.

70  
71 When the police arrived at the house [REDACTED] ran outside. [REDACTED] only saw one police officer. [REDACTED] knew it was  
72 a police officer, and heard someone say police. [REDACTED] was holding the shotgun. The police officer gave [REDACTED]  
73 commands to drop his shotgun. [REDACTED] thought the police were going to kill him anyway, so he wasn't going to  
74 listen to commands. [REDACTED] said that if he was going to die, he was going to take someone with him.

75  
76 [REDACTED] said he did not shoot until after the police shot at him. [REDACTED] said he was already shot when he fired his  
77 weapon. [REDACTED] said he shot at the police one time. I asked [REDACTED] why he waited to shoot until after the police  
78 fired. [REDACTED] said he had already taken gun fire, so that is why he shot. [REDACTED] said that it was his fault. The police  
79 told him to drop his weapon and he did not.

80  
81 After the shooting, [REDACTED] went into the kitchen area of the home. He knew he only had one shot left. He walked  
82 into the kitchen and turned on the stove. [REDACTED] left the shotgun on the ground, near a heater.

83  
84 [REDACTED] did not know where his brother [REDACTED] was currently at. [REDACTED] said he may be with his girlfriend, [REDACTED]  
85 (unknown last name), who lived in Eureka.

86  
87 [REDACTED] was non-confrontational when we spoke to him. At the conclusion of my interview, I asked [REDACTED] if I could  
88 speak with him again if needed and he said yes.

89

90 While speaking with [REDACTED] he seemed coherent and aware of his surroundings. Just prior to ending the  
91 interview medical staff gave [REDACTED] pain medication. I do not know what medications hospital staff gave to [REDACTED]  
92 otherwise.

93  
94 During the interview I had to leave the room – at about the 21 minute mark of the recording. I left my recorder  
95 on, and left it in [REDACTED] room while I was gone. Medical staff took a sample of [REDACTED] blood, pursuant to the  
96 search warrant, while I was out of the room. Detective Bise took possession of the blood sample. I returned to  
97 the room and resumed speaking with [REDACTED] at about the 32 minute mark of the recording.

98  
99 I later saved the audio recording of the interview with [REDACTED] to DVD and booked the DVD into evidence at HCSO  
100 – barcode 151327. See Detective Bise's report for the disposition of the items of evidence he collected.

101  
102 After speaking with [REDACTED] I returned to HCSO CID and briefed Sgt. Freese. Sgt. Freese requested I complete a jail  
103 booking form and statement of probable cause for the arrest of [REDACTED] I completed the forms for the  
104 arrest of [REDACTED] for violation of PC 664/187 and PC 236.

105  
106 Any further information will be documented by supplemental report.

Supervisor Review

1 On December 20, 2017, I downloaded five video recordings of interviews that were conducted in the Humboldt  
2 County Sheriff's Office (HCSO) Criminal Investigations Division (CID) interview room in connection with this  
3 investigation. I was not present, nor did I participate, in any of these interviews. I only downloaded the video and  
4 booked the video into evidence at HCSO. Summaries of the interviews will be prepared by officers who  
5 participated in them.

6  
7 While downloading the video, I saw the time stamp on the video was off. The video system is a digital video  
8 system. The software operating the system is Digital Watchdog. There are two time stamps on the video system.  
9 One time stamp is imbedded on the video recordings (the time of 04:17:03 displayed on the attached photo). The  
10 other time is displayed on the timeline at the bottom of the screen (the time of 03:10:32 displayed on the attached  
11 photo). The time displayed on the lower left hand corner of the attached photo (09:14:50) should be the current  
12 real time of the computer being used to watch a recording. The two time stamps should be synched, and they  
13 were not. I also determined that both time stamps were incorrect. The time stamp imbedded on the video was  
14 about 49 minutes fast, and the time stamp displayed on the timeline was about 18 minutes slow. For example,  
15 on the attached photo:

- 16 • The time stamp imbedded on the video of 04:17:03 was actually about 0328 hours.
- 17 • The time stamp at the bottom of the screen of 03:10:32 was actually about 0328 hours.

Humboldt County Sheriff's Office

Case # 201706236

Supplemental Report # 12

Investigator Peterson 1186

1 On December 19, 2017, I found a CD in my in box at the Humboldt County Sheriff's Office (HCSO) Criminal  
2 Investigations Division (CID). The CD was marked indicating it was the dispatch tapes of the officer involved  
3 shooting incident involving Sgt. Musson and Deputy Freixas that occurred on December 17, 2017 in the Ferndale  
4 area. I also received an e-mail from HCSO Dispatcher [REDACTED] on December 17, 2017 stating that she  
5 had made the copy of the dispatch tape and had put the CD in my in box.

6  
7 I reviewed the contents of the CD and found it contained 91 recordings of different radio transmissions that were  
8 made in before, during, and after the shooting incident. I booked a copy of the recordings into evidence at HCSO  
9 on cd - barcode # 151460.

10

11 Report for documentation. Any further information will be documented by supplemental report.
