Report Title: **Humboldt County Hiring: Status, Process, and the Future**

Report Date: 06/21/2024

Response by: W. Honsal, Sheriff, County of Humboldt

FINDINGS

Finding 2: The Humboldt County Sheriff's Office has longer hiring times than other county positions due to necessary written and oral testing, and required background checks. However, overlapping testing and interviews have allowed them to shorten the hiring process by weeks. This shortened hiring time increases the likelihood of successful recruitment.
