You have the option to spend your **monthly WIC fruit and vegetable cash benefit** at the Farmers' Markets year round! Don't have the new WIC QR code card? Call 707-445-6255 to request one.

Want to spend your monthly f/v benefit at the grocery store?

Swipe your card as usual at any WIC authorized store.

Humboldt County WIC is also able to offer an extra \$30 added to your WIC card to be used **ONLY** at the Farmers' Markets (e-FM benefits). These are issued on a first come, first serve basis. You can buy fruits, vegetables or fresh-cut edible herbs with e-FM benefits. Check your seasonal benefit balance in the WIC App before shopping. If you spend over \$30, you may cover the balance with cash, WIC monthly f/v benefits or EBT tokens from the Market Manager's booth.

Farmers that take the CA WIC Card and/or the Farmers' Market benefits will have a sign that says "WIC and Senior Benefits Welcome Here" at their stall.

You can also check for markets on the CA WIC App or WICFarmers.ca.gov.

Do not sell, offer for sale or offer to exchange these benefits.

Report lost or stolen WIC Cards to your WIC office.

If needed, you can file a complaint against a farmer or farmers' market or local agency by completing the farmers' market complaint form found at WICFarmers.ca.gov.

Here is how it works:

- Shop** at a WIC authorized farmers' market.
- Show** your WIC Card, and the farmer will scan the QR code.
- Confirm** your purchase by entering your PIN, and enjoy fresh local produce.
