

MANILA
Tsunami Hazard Map

This map shows the tsunami hazard zones in and around Manila. Areas shaded yellow are at risk of flooding during a tsunami, including the town of Manila, Highway 255, Samoa Dunes Recreation Area and Ma-Le'L Dunes. Schools in the hazard zone include Redwood Coast Montessori School's Manila Campus. Areas shaded green are outside the tsunami hazard zone and considered safe, including higher ground west of the Community Center. If you are in a yellow hazard zone during a tsunami warning, move east on foot toward higher ground and into the green safe areas.
