

ARCATA

Tsunami Hazard Map

This map shows the tsunami hazard zones in and around Arcata. Areas shaded yellow are at risk of flooding during a tsunami, including the coastline, Mad River Beach, Ma-le'l Dunes, the town of Manila, Arcata Marsh, Old Samoa Rd., Samoa Blvd. and low-lying areas along Arcata Bay. Areas shaded green are outside the tsunami hazard zone and considered safe, including Arcata Plaza, Northtown, Greenview, Alliance Rd., Valley West, Buttermilk, Mad River Hospital, Sunny Brae, Jacoby Creek, and Cal Poly Humboldt. No schools are in the tsunami zone. If you are in a yellow hazard zone during a tsunami warning, move east on foot toward higher ground and into the green safe areas.
