

EUREKA

Tsunami Hazard Map

This map shows the tsunami hazard zones in and around Eureka. Areas shaded yellow are at risk of flooding during a tsunami, including the Eureka waterfront, Woodley Island, the Bayshore Mall area, Humboldt Bay Marina, Elk River Wildlife Area, and low-lying areas along Humboldt Bay near Waterfront Dr., Broadway and Hilfiker Ln. Areas shaded green are outside the tsunami hazard zone and considered safe, including most of Downtown and Old Town Eureka, neighborhoods east of Broadway and higher ground toward Harris Street and Myrtle Ave. No schools are in the hazard zone. If you are in a yellow hazard zone during a tsunami warning, move east on foot toward higher ground and into the green safe areas.
